Proclamation

Whereas, public works professionals focus on infrastructure and services that are of vital importance to a sustainable and resilient community and to the public health, high quality of life and well-being of the people; and

Whereas, such infrastructure and services could not be provided without the dedicated efforts of public works professionals who are responsible for building, maintaining, improving and protecting our city’s mobility network, piped utilities, solid waste systems and other essential public works systems; and

Whereas, it is in the public interest for the residents, leaders and children to gain knowledge of and to maintain a progressive interest and understanding of the importance of public works and public works programs in our community; and

Whereas, the American Public Works Association has celebrated the annual National Public Works Week since 1960; and

Whereas, thanks to these professionals our streets, roads, bridges and public transportation keep us linked together, and our clean water and sanitation services keep us healthy and allow our community to grow and prosper;

Now, therefore, I, Denis Law, Mayor of the City of Renton, do hereby proclaim the week of May 21-27, 2018, to be

National Public Works Week

in the City of Renton, and I encourage all residents to recognize the contributions public works professionals make every day to our health, safety, comfort and quality of life.

In witness whereof, I have hereunto set my hand and caused the seal of the City of Renton to be affixed this 21st day of May 2018.

Denis Law, Mayor
City of Renton, Washington
