CALL TO ORDER

Mayor Denis Law called the meeting of the Renton City Council to order and led the Pledge of Allegiance to the flag.

ROLL CALL OF COUNCILMEMBERS

MARCIE PALMER, Council President; DON PERSSON; KING PARKER; RICH ZWICKER; GREG TAYLOR; RANDY CORMAN. MOVED BY PALMER, SECONDED BY CORMAN, COUNCIL EXCUSE ABSENT COUNCILMEMBER TERRI BRIERE. CARRIED.

CITY STAFF IN ATTENDANCE

DENIS LAW, Mayor; JAY COVINGTON, Chief Administrative Officer; ZANETTA FONTES, Assistant City Attorney; BONNIE WALTON, City Clerk; GREGG ZIMMERMAN, Public Works Administrator; ALEX PIETSCH, Community and Economic Development Administrator; REBECCA LIND, Planning Manager; TERRY HIGASHIYAMA, Community Services Administrator; TIM LAWLESS, Housing Repair Coordinator; MARTY WINE, Assistant CAO; DEPUTY CHIEF MARK PETERSON, Fire Department; DEPUTY CHIEF TIM TROXEL, Police Department.

SPECIAL PRESENTATION

Human Services: Housing Repair Assistance Program,
First Savings Bank Northwest Grant

Housing Repair Coordinator Lawless introduced Mark Fehr, Community Reinvestment Officer and Assistant Vice President with First Savings Bank Northwest, and reported that for the past eleven years, the bank has been supporting the Housing Repair Assistance Program by providing matching funds to help pay for services. To date, the amount of support totals $185,000.

Mr. Lawless explained that the purpose of the program is to help low-income, disabled, and older adults maintain their homes to be safe and healthy places to live. The services provided enable the recipients to maintain independent lifestyles and increase the amount of time they are able to stay in their homes.

Mr. Fehr was presented with an award in honor of the bank's continued support of the Housing Repair Assistance Program. Councilmember Corman noted the importance of the safety improvements that are provided by this program.

PUBLIC HEARING

Planning: Development Regulations (Title IV) 2006 Docket Review

This being the date set and proper notices having been posted and published in accordance with local and State laws, Mayor Law opened the public hearing to consider amendments to the following City Code Title IV (Development Regulations) docket items: Alleys, Fast Food, and Towing Operations/Auto Impoundment Yards.

Starting with the amendments concerning fast food, Planning Manager Lind pointed out the existing inaccuracy and inconsistency with the "fast food" and "eating and drinking establishments" definitions, and the need to revise Note 22 associated with the zoning use tables. She stated that the proposal includes: adding "fast food restaurants" as a new category under "Retail" in the zoning table; allowing stand-alone fast food with drive-throughs in the Commercial Arterial (CA) zone; allowing fast food with drive-throughs only in the Employment Area Valley in the Light Industrial (IL) zone; revising definitions for "fast food" and "drive-in/drive-through retail or service"; and prohibiting drive-throughs in the Center Downtown and Center Village zones.

Turning to the amendments regarding alleys, Ms. Lind explained that the R-8 (eight dwelling units per acre) zone does not have development standards
requiring properties that abut an alley to use the alley for vehicular access to all parking areas. The recommended amendments include implementing standards for properties that abut public alleys in the R-8 zone with a paved and/or crushed rock surface, whereas vehicular access will be taken from the alley, and all parking areas and garages will be in the rear or side yards. Ms. Lind noted that the added development standards will maintain or improve established neighborhood characteristics.

Moving on to the amendments pertaining to towing operations/auto impoundment yards, Ms. Lind stated that towing and auto impoundment is only allowed in the Heavy Industrial and Medium Industrial zones. She pointed out the difficulty in finding available land in these zones suitable for this type of use, and noted that towing is a necessary service. Ms. Lind reported that the proposed changes include: permitting towing operations/auto impoundment yards in the IL zone when tow trucks and impounded vehicles are kept in a building; implementing a new definition for "towing operations" that omits the element of auto impoundment; permitting towing operations in the CA zone when the use is shared with an auto body or auto repair shop and when tow trucks are kept in a building when not in use; and allowing Class A, B, and E tow vehicles in both the IL and CA zones.

Correspondence was read from Angela Laulainen (Renton) supporting the alley amendments. She stated that the amendments will help maintain the pedestrian-friendly nature of the North Renton neighborhood, maintain the character of the neighborhood, and encourage developers to design homes with landscaped front yards.

Correspondence was read from Jason Scott (Renton) expressing concern regarding crime and alley safety in the North Renton Neighborhood. He recommended that the alley amendments only be considered as part of a comprehensive plan to address the most pressing issues in the neighborhood: blight, crime, and problem landlords.

Public comment was invited.

Ray Giometti (Renton) voiced support for the alley amendments as proposed, pointing out that single-family houses will be built that fit into neighborhoods as they look now. Stating that although these amendments are especially suitable for north and south Renton, he noted the possibility of separating the Highlands area and other parts of the City from the downtown area.

George Daniels (Renton) disagreed with the alley amendments, pointing out that currently, about 50 percent of the houses have off-the-street vehicular access. He encouraged the City to review the long-term ramifications, noting that alley maintenance will increase as traffic on the alleys increase. Additionally, Mr. Daniels expressed concerns regarding the negative effect on the use of backyards and the current encroachment of buildings into the alleys.

Nora Schultz (Renton) expressed her support for the alley amendments. She indicated that vehicular access from alleys makes sense in north and south Renton, as it is uniform and more visually appealing.

Howard McOmber (Renton) noted the lack of maintenance of alleys in the Highlands area. He stated his preference for more flexibility regarding vehicular access to homes in the Highlands area, suggesting that the Hearing Examiner make the determinations concerning access on a case by case basis.
There being no further public comment, it was MOVED BY PARKER, SECONDED BY ZWICKER, COUNCIL CLOSE THE PUBLIC HEARING. CARRIED. Councilmember Parker noted that these items will remain in Planning and Development Committee for further review.

**ADMINISTRATIVE REPORT**

Chief Administrative Officer Covington reviewed a written administrative report summarizing the City’s recent progress towards goals and work programs adopted as part of its business plan for 2008 and beyond. Items noted included:

- The public is invited to an open house to kick-off the beginning of the Shoreline Master Program update on April 30 at City Hall.

**CONSENT AGENDA**

Items on the consent agenda are adopted by one motion which follows the listing.

- **Council Meeting Minutes of 4/21/2008**

- **Appeal: Blueberry Haven Short Plat, Gordley, SHP-07-131**
  - City Clerk reported appeal of Hearing Examiner's decision regarding the Blueberry Haven Short Plat application (SHP-07-131) by Richard and Lauralee Gordley, represented by Dickson Steinacker LLP, accompanied by required fee. Refer to Planning and Development Committee. (See page 141 for action on related correspondence.)

- **Court Case: Shane Watson & Lauren Watson, CRT-08-004**
  - Court Case filed on behalf of Shane Watson and Lauren Watson by Sheffield & Associates who seek compensation for injury and permanent disability sustained by Shane Watson on 2/10/2005 while working as a subcontractor on the Maplewood Water Treatment Facility and Golf Course Improvements construction project. Refer to City Attorney and Insurance Services.

- **Annexation: New Life - Aqua Barn, Maple Valley Hwy**
  - Community and Economic Development Department recommended approval of the New Life - Aqua Barn Annexation; 374 acres located in the vicinity of Maple Valley Hwy. Council concur. (See page 140 for ordinances.)

- **Community Services: Park Rules & Regulations Changes**
  - Community Services Department recommended approval of the revisions to the Park Rules and Regulations. Refer to Community Services Committee.

- **Police: Lateral Police Officers Hire at Step D**
  - Police Department recommended approval of the starting compensation for two specific Lateral Police Officers at Step D of the salary range. Council concur.

- **Finance: Utility Bill Adjustment, Community Services Department**
  - Public Works Department recommended approval of the request to waive the past due water bill in the amount of $16,307.72 for the water meter at Liberty Park. Refer to Finance Committee.

- **Budget: 2008 Amendment, Mechanic Assistant Position**
  - Public Works Department recommended approval to amend the 2008 Budget for Fund 501, Equipment Rental, in the amount of $37,077 to fund a Mechanic Assistant position, and approval to add the previously approved Street Maintenance Manager position to the 2008 Budget index of positions. Approval was also sought to hire a Mechanic Assistant, grade a09, effective 7/1/2008. Refer to Finance Committee.

- **Transportation: Ripley Lane Shoulder Improvements, King County**
  - Transportation Systems Division requested approval of an agreement in the amount of $19,700 with King County for providing shoulder improvements along Ripley Lane. Council concur. (See page 139 for resolution.)
