SPECIAL PRESENTATION

King County: Update, Councilmember Julia Patterson

King County Council Chair Julia Patterson, District 5, gave an update on King County. She explained that King County is a regional government, dependent upon two taxing sources: sales and property tax. The regional services King County is responsible for includes criminal justice, sewage treatment, public transportation, elections, animal control, and public health. She noted that this year, King County will be updating its comprehensive plan, conducting a charter review, and addressing voter approved initiatives and Council initiated measures.

Councilmember Patterson reported that King County is working on an Equity and Social Justice Initiative. The initiative aims to end local inequities in wealth, health, and opportunities to result in greater economic vitality, lower health care and criminal justice costs, and a much more politically engaged population. Pointing out that South King County is not being treated equitably in a number of different public policy arenas, she stressed that it is time for leaders to come together and discuss how to change the economic disparities in King County.

APPEAL

Planning & Development Committee

Appeal: Monopole Conditional Use Permit, T-Mobile, CU-07-065

Planning and Development Committee Chair Parker presented a report regarding the T-Mobile monopole conditional use permit appeal. The Committee recommended that the City Council refer this matter to the Committee of the Whole for the purpose of conducting a hearing to determine the jurisdictional question raised by the City Attorney, and assuming the Committee of the Whole finds there is jurisdiction, to determine the underlying substantive issues raised in the T-Mobile appeal.*

Councilmember Parker explained that the appeal of the Hearing Examiner's decision filed on 1/29/2008 was discussed by the Committee on April 4. The Committee heard argument from the City and T-Mobile solely on the jurisdictional issue raised by the City Attorney. The Committee, having no authority to decide the jurisdictional issue and having been asked by T-Mobile to allow arguments before the full Council on the underlying issues raised in the appeal, voted to recess the hearing and forward the matter to the full

MOVED BY PALMER, SECONDED BY PERSSON, COUNCIL APPROVE THE CONSENT AGENDA AS PRESENTED. CARRIED.

UNFINISHED BUSINESS
Planning & Development Committee
Planning: Development Regulations (Title IV) Docket Review
Planning and Development Committee Chair Parker presented a report regarding the City Code Title IV (Development Regulations) docket item concerning the text amendment for Monopole I in residential zones and housekeeping amendments to wireless regulations in all zones. The Committee recommended concurrence in the staff recommendation to set a public hearing on 4/21/2008 to consider the proposal.

The proposed amendment application would allow Monopole I structures on a one-half acre lot with an administrative conditional use permit provided that they meet a one hundred feet setback from residential, and create some additional flexibility within the City Code to allow a lesser setback with a Hearing Examiner conditional use permit. In the public right-of-way,
Monopole I would only be allowed on designated arterial roads. The housekeeping amendments would provide non-substantive language corrections and cross-references. MOVED BY PARKER, SECONDED BY ZWICKER, COUNCIL CONCUR IN THE COMMITTEE REPORT. CARRIED.

Annexation: Shamrock, Application Fee Waiver
Planning and Development Committee Chair Parker presented a report regarding the Shamrock Annexation fee waiver request. The Committee recommended concurrence in the staff recommendation to approve the waiver of the $2,500 fee for the Shamrock Annexation, and to keep the issue of revising the annexation fee in Committee for further review and recommendation. MOVED BY PARKER, SECONDED BY ZWICKER, COUNCIL CONCUR IN THE COMMITTEE REPORT. CARRIED.

Planning: Development Regulations (Title IV) 2006 Docket Review
Planning and Development Committee Chair Parker presented a report regarding the City Code Title IV (Development Regulations) 2006 docket review. The Committee recommended concurrence in the staff recommendation to set a public hearing on 4/28/2008 to consider the following docket items: alleys, fast food, and towing.

- **Alleys**: Proposed changes in the R-8 zone include: implementing parking and loading standards for properties abutting an existing paved and/or crushed rock alley. New development would be required to locate parking and/or garages in the side or rear yards with vehicular access to the parking areas through the abutting alley.

- **Fast Food**: Proposed changes include: allowing fast food as a stand-alone use, but with no drive-throughs in the Center Village and Center Downtown zones and to allow stand-alone fast food with drive-throughs only in the Employment Area Valley in the Industrial Light zone. Definitions are revised for fast food restaurants and drive-in/drive-through retail/service.

- **Towing Operations/Auto Impoundment Yards**: Proposed changes include:
  1) A new definition for towing operations.
  2) In the Industrial Light zone, allow towing operations/auto impoundment yards within a building.
  3) In the Commercial Arterial zone, allow as a shared use with auto repair/auto body shops and if the tow truck is garaged. In both zones, tow vehicles will be limited to Class A, B, and E. MOVED BY PARKER, SECONDED BY ZWICKER, COUNCIL CONCUR IN THE COMMITTEE REPORT. CARRIED.

Planning: Development Regulations (Title IV) Docket, COR Zone
Planning and Development Committee Chair Parker presented a report regarding the City Code Title IV (Development Regulations) docket review. The Committee recommended concurrence in the staff recommendation to approve Docket Item 06-07, Commercial Office Residential (COR) zone text amendments as recommended by the Planning Commission.

The proposed City Code amendment would consolidate the existing three COR zones into one COR zone. The development standards would be amended to include: eliminating the height and density bonus provisions, setting the minimum density at 30 dwelling units per acre and maximum density at 50 dwelling units per acre, and placing two associated footnotes regarding upper story setback and facade modulation in the table. Other City Code changes include striking instances of COR 1, COR 2, or COR 3 and replacing them with COR, and placing COR in the parking requirements section. Additionally, the COR zone will be placed in the Urban Design District C, and with the parking standards for other mixed use/multi-family zoning designations.
The Committee further recommended that the ordinance regarding this matter be presented for first reading. MOVED BY PARKER, SECONDED BY ZWICKER, COUNCIL CONCUR IN THE COMMITTEE REPORT. CARRIED. (See page 109 for ordinance.)

Community Services Committee Chair Briere presented a report recommending concurrence in Mayor Law’s appointment of Lee Chicoine to the Airport Advisory Committee, North Renton neighborhood primary position, for an unexpired term expiring on 5/7/2010. MOVED BY BRIERE, SECONDED BY ZWICKER, COUNCIL CONCUR IN THE COMMITTEE REPORT. CARRIED.

Community Services Committee Chair Briere presented a report recommending concurrence in the staff recommendation to authorize the Mayor and City Clerk to renew the interlocal cooperation agreement with King County for the Regional Affordable Housing Program (RAHP). The renewal of this agreement will allow Renton to continue its participation in the planning process for RAHP funds, which are used for local affordable housing and community development purposes. The Committee further recommended that the resolution regarding this matter be presented for reading and adoption. MOVED BY BRIERE, SECONDED BY PARKER, COUNCIL CONCUR IN THE COMMITTEE REPORT. CARRIED. (See later this page for resolution.)
