PROCLAMATION

Kennydale United Methodist Church Day - March 4, 2007

A proclamation by Mayor Keolker was read declaring the day of March 4, 2007, to be "Kennydale United Methodist Church Day" in the City of Renton and encouraging all citizens to join in this special observance. MOVED BY LAW, SECONDED BY NELSON, COUNCIL CONCUR IN THE PROCLAMATION. CARRIED. Pauline Kirkland and Sharry Deszo accepted the proclamation.

SPECIAL PRESENTATIONS

Community Services: Accreditation Recognition

Community Services Administrator Higashiyama announced that the Community Services Department passed its second accreditation and is the first in the State in community service parks and recreation to reach the five-year reaccreditation program. She emphasized that the biggest goal of the department is to make sure that the best customer service is being provided, and meeting the accreditation's 155 standards aids in that endeavor. Ms. Higashiyama recognized the efforts of the Community Services Department's ten boards and commissions, as well the efforts of staff.

Human Services: Housing Repair Assistance Program, First Savings Bank of Renton Grant

Human Services: Housing Repair Coordinator Lawless explained that the Housing Repair Assistance Program provides free health and safety related services for eligible low-to-moderate income homeowners in Renton. He reported that the program is primarily funded by federal Community Development Block Grants, which have declined over the past several years. Mr. Lawless recognized First Savings Bank of Renton for its support of the Housing Repair Assistance Program, acknowledging the bank's 2007 donation in the amount of $30,000. He noted that over the years, the bank has contributed a total of $155,000 to the program.

Senior Vice President and Chief Lending Officer Bob Gagnier and Community Reinvestment Officer Mark Fehr were presented with an award and certificate in honor of the bank's continued support. Mr. Gagnier expressed appreciation for the recognition, noting that this is the tenth year of First Savings Bank of Renton's involvement in the program.

PUBLIC HEARINGS

This being the date set and proper notices having been posted and published in
Annexation: Perkins, SE 95th Pl & 128th Ave SE

accordance with local and State laws, Mayor Keolker opened the public hearing to consider the proposed annexation and zoning of 15.47 acres (including the abutting street right-of-way) generally bounded by Union Ave. NE (132nd Ave. SE) on the east, SE 95th Way, if extended, on the north, SE 96th St., if extended, on the south, and 128th Ave. SE, if extended, on the west (Perkins).

Senior Planner Erickson reported that three single-family dwellings currently exist on the site and over 80 percent of the site is vacant. He noted the following: the site drains to May Creek, most of the site slopes down to the north, and a 65-foot change in elevation exists between the southern and northern boundaries. Reviewing the public services, he said the site is served by Fire District #25, Renton water and sewer, and the Renton School District.

Continuing, Mr. Erickson stated that the site's existing King County zoning is R-4 (four dwelling units per gross acre), and the City's Comprehensive Plan designates the site as Residential Low Density, for which R-4 (four dwelling units per net acre) zoning is recommended. He stated that the fiscal impact analysis indicates a surplus of $11,403 at full development, assuming 43 new single-family homes with an average assessed value of $450,000, and a one-time parks acquisition and development cost of $15,213. In conclusion, Mr. Erickson pointed out that the annexation proposal is consistent with the City's annexation policies and business plan.

Public comment was invited. There being none, it was MOVED BY BRIERE, SECONDED BY LAW, COUNCIL CLOSE THE PUBLIC HEARING. CARRIED.

MOVED BY BRIERE, SECONDED BY CLAWSON, COUNCIL ACCEPT THE PERKINS ANNEXATION AS APPROVED BY THE BOUNDARY REVIEW BOARD AND ADOPT THE RELATED ORDINANCES. CARRIED. (See page 66 for ordinances.)

Planning: City Code Amends re R-4 Zone & Tree Retention & Animal Regulations

This being the date set and proper notices having been posted and published in accordance with local and State laws, Mayor Keolker opened the public hearing to consider City Code amendments pertaining to: R-4 zone development clustering; R-1, R-4, and R-8 zone design standards; tree retention; and animal regulations.

MOVED BY NELSON, SECONDED BY CLAWSON, COUNCIL POSTPONE THE PUBLIC HEARING UNTIL 3/12/2007. CARRIED.

ADMINISTRATIVE REPORT

Chief Administrative Officer Covington reviewed a written administrative report summarizing the City’s recent progress towards goals and work programs adopted as part of its business plan for 2007 and beyond. Items noted included:

- The Crisis Clinic's 211 Community Information Line provides information and referral services to all King County residents about the social service system. The service can be accessed from a land line by dialing 211 and from a cellular telephone by dialing 206-461-3200 or 1-800-621-4636.

- The Annual "Play it Safe" Festival, held on February 22 at the Community Center, was attended by over 150 kids ages 12 and under and their parents.

Planning: Multipurpose Events Center (Sonics & Storm Basketball)

Mayor Keolker reported that the ownership of the Sonics and Storm professional basketball teams have chosen Renton as their preferred site for a multipurpose events center. She noted that the potential economic opportunities of the arena go beyond Renton's borders. The Mayor stated her
belief that the "No New Taxes" proposal laid out for the State Legislature is sound and worthy of City support.

Mayor Keolker assured that no commitments have been made regarding City investment in the facility. She stated that if the City can be assured of new revenue to the City, the Council will be asked to consider making an investment at a level proportionate with those new revenues, as done with other economic development projects in the City. Mayor Keolker indicated that a dialogue with the community has started and will continue in order to consider the opportunities, challenges, and impacts that the facility poses. She noted that information about the potential events center is available on the City's website.

The Mayor reported that as an initial step, a consultant will be hired in the amount of $20,000 to conduct an economic analysis, and a strategic advisor will be retained for the amount of $10,000. She stated that working with the neighborhoods most impacted by the development is another significant component during this evaluation process. Mayor Keolker pointed out that Council will discuss the proposed neighborhood study during its upcoming retreat. She indicated that regardless of the final outcome, the City is benefiting by being selected as the preferred site.

AUDIENCE COMMENT

Karen Finnicum, 1302 Aberdeen Ave. NE, Renton, 98056, spoke on the topic of the Kennydale Blueberry Farm rezone. She displayed photographs of the area, and expressed concerns regarding the accumulation of water and the damage to the wetland. Saying that the wetland damage must stop, Ms. Finnicum asked that zoning decisions regarding the farm property not be made until the situation is fully understood.

Bill Collins, 420 Cedar Ave. S., Renton, 98057, voiced concern regarding the proposed jet center at the Renton Airport. He stated that since specific types of aircraft cannot be excluded from using the airport, the likelihood of extremely loud jet aircraft take-offs and landings is certain. Mr. Collins asked that Council consider the noise impacts on the community when making a decision on the matter.

Barb Hicks, 10402 151st Ave. SE, Renton, 98059, expressed opposition to the rezone of the Kennydale Blueberry Farm, noting the following: the rezone is solely for the personal gain of the applicant, R-4 zoning has not ensured protection on adjacent property, the exact location and extent of the wetland on the site is unknown, a majority of citizens have spoken against the rezone, and jurisdictional wetlands are protected by the federal Clean Water Act. Ms. Hicks stated that this resource and its protection should be valued higher than the benefit received by one property owner.

Karol Gabrielson, 2001 NE 20th St., Renton, 98056, displayed photographs of the Kennydale Blueberry Farm and adjacent property, expressing concern regarding the accumulation of water. She stated her fear that rezoning the farm property to R-4 will not protect the wetland, as R-4 zoning has not protected other areas in the artesian system. Ms. Gabrielson asked that the City become more familiar with the area and deny the rezone request.

William O'Connor, 10402 151st Ave. SE, Renton, 98059, stated that rezoning the Kennydale Blueberry Farm property to R-4 will only raise expectations for more development, resulting in the City being pressured to issue variances and waivers. He indicated that the property is appropriately zoned at Resource
Citizen Comment: Hope - Benson Hill Communities Annexation, S 200th St & 128th Ave SE
Jerry Hope, 17016 128th Ave. SE, Renton, 98058, indicated that there is strong support for the Benson Hill Communities Annexation, noting that annexation of this area to Renton is in the best interests of the community, King County, and Renton.

Citizen Comment: Reiter - Benson Hill Communities Annexation, S 200th St & 128th Ave SE
Tom Reiter, 18001 113th Ave. SE, Renton, 98055, described the effort that has been made towards the annexation of the Benson Hill communities to Renton. Mr. Reiter said the signatures for the annexation petition were quickly obtained, and he thanked the City for its consideration of the matter.

Citizen Comment: Linton - Benson Hill Communities Annexation, S 200th St & 128th Ave SE
Richard Linton, 17041 130th Ave. SE, Renton, 98058, stated that Renton has grown over the years and has the potential to be even more fantastic than it is now. Mr. Linton indicated that he and others in the Benson Hill and Renton Park areas are interested in annexing to Renton. He noted that the turnout at the election would be very good if the issue were to be placed on the ballot.

Citizen Comment: Leviton - Multipurpose Events Center (Sonics & Storm Basketball), Chamber Support Resolution
Jay Leviton, 18204 143rd Ave. SE, Renton, 98058, speaking on behalf of the Renton Chamber of Commerce Board of Directors, conveyed the chamber's enthusiasm for Renton being chosen as the preferred site for the Sonic's multipurpose event center. Mr. Leviton read a Renton Chamber of Commerce Board Resolution, which supports the concept of Renton becoming the future home of the Seattle Supersonics and Storm basketball teams and urges the Mayor and Council to continue to support this project while exercising due diligence.

Citizen Comment: Johnson - Multipurpose Events Center (Sonics & Storm Basketball), Chamber Support Resolution
Steve Johnson, Renton Chamber of Commerce Vice President, 139 Union Ave. NE, Unit 1, Renton, 98059, stated that the siting of the Sonic’s multipurpose event center in Renton will benefit the business community, and he asked Council to pursue this opportunity while exercising due diligence.

Citizen Comment: Rider - 2006 Comprehensive Plan Amendments, Kennydale Blueberry Farm
Susan Rider, 1835 NE 20th St., Renton, 98056, expressed her desire that the City base its decision regarding the Kennydale Blueberry Farm rezone on facts. She displayed photographs of the area showing the development occurring on property across from the blueberry farm and the damage to that property's wetland. Ms. Rider indicated that due to the lack of hydrology studies, the extent of the wetland is unknown. She stressed that accurate information is needed prior to a decision being made on the rezone, and asked the City to keep track of activities in this area.

Citizen Comment: Puckett - Wonderland Estates Mobile Home Park, Annexation and Permit Process
Jerry Puckett, 15260 Oak Dr., Renton, 98058, reported that the New Life Church is making progress in obtaining signatures for the annexation-to-Renton petition for his area. He further reported that the owner of the Wonderland Estates Mobile Home Park property, where he resides, has started the permit process in King County to build homes on the site. Mr. Puckett inquired as to whether the permit process will conclude in King County or be taken over by Renton if the property were to annex to Renton.

Planning Manager Lind stated that if the area is annexed and a King County-approved preliminary plat exists, Renton will recognize the plat. Up until the time of preliminary plat approval, Renton would start over again with the review process.
In response to Councilmember Corman's inquiries regarding the annexation process, Ms. Lind said the annexation proponent is using the property owner petition process. She noted that residents of the mobile home park cannot participate. Ms. Lind reported that signatures are currently being gathered for the 10% annexation petition.

Citizen Comment: Charnley - Wonderland Estates Mobile Home Park, Zoning and Annexation

Timothy Charnley, 14140 SE 171st Way, Apt. E204, Renton, 98058, said the owner of the Wonderland Estates Mobile Home Park property is 10 percent of the way through the permitting process in King County. He expressed concern that unless King County and Renton enter into an interlocal agreement, the zoning will remain at R-12 for the property.

Councilmember Corman stated that an interlocal agreement is not needed as the Council reserves the privilege to zone the property at the time it comes into Renton.

Responding to Mr. Charnley's inquiry, Planning Manager Lind said the zoning text amendment change request for the property had been pending before the Planning and Development Committee due to an appeal that was filed. She noted that the appeal was recently withdrawn, and the matter will be brought back to Council for consideration.

Citizen Comment: Charnley - Wonderland Estates Mobile Home Park, Zoning and Annexation

David Jackson, 2419 Talbot Crest Dr. S., Renton, 98055, spoke on the topic of the Renton Airport expansion. He noted the increased amount of air traffic that was experienced in Renton due to the closure of Boeing Field in August 2006. He expressed concern regarding the proposals that cater to corporate and private jets, saying that the environment of the Talbot Hill neighborhood will deteriorate as a result of the proposed airport expansion. Mr. Jackson urged Council to reject proposals to expand the airport above its current level, and he requested that the City consider applying larger landing fees for older generation jet engine aircraft.

Councilmember Clawson pointed out that there is no expansion of the airport planned.

Citizen Comment: Kawamura - Benson Hill Communities Annexation, S 200th St & 128th Ave SE

Linda Kawamura, 17907 123rd Ct. SE, Renton, 98058, stated that she lives in the Benson Hill communities annexation area and wants the opportunity to vote to annex to the City of Renton.

UNFINISHED BUSINESS

Committee of the Whole  Council President Nelson presented a Committee of the Whole report recommending that Council set a public hearing on 3/12/2007 to consider the Benson Hill Communities Notice of Intent to Commence Annexation 10% petition.

The Committee further recommended that at the conclusion of the public hearing, Council consider the annexation petition and resolution calling for an election which would authorize the City Clerk to transmit the petition and resolution to the Clerk of the King County Council, King County Records and Elections, and the State of Washington Boundary Review Board for King County. MOVED BY NELSON, SECONDED BY LAW, COUNCIL CONCUR IN THE COMMITTEE REPORT. CARRIED.

Finance Committee  Finance Committee Chair Persson presented a report regarding the business license billing cycle. The Committee was briefed on this issue and recommended that no changes be made to the current policy at this time. MOVED BY PERSSSON, SECONDED BY LAW, COUNCIL CONCUR IN THE COMMITTEE REPORT. CARRIED.

Finance: Vouchers  Finance Committee Chair Persson presented a report recommending approval of Claim Vouchers 257083 - 257550 and two wire transfers totaling $2,285,858.68; and approval of Payroll Vouchers 67518 - 67782, one wire transfer, and 793 direct deposits totaling $2,514,022.88. MOVED BY PERSSSON, SECONDED BY LAW, COUNCIL CONCUR IN THE COMMITTEE REPORT. CARRIED.

Transportation (Aviation) Committee  Transportation (Aviation) Committee Chair Palmer presented a report recommending approval of an addendum to the AirO, Inc. lease agreement, LAG-03-002, to increase the building and ground lease rates. Using the Consumer Price Index-Urban for the Seattle-Tacoma-Bremerton area to adjust the building lease rate, the rent increased from $25,930.44 to $28,114.06 per year, for the three-year period 11/1/2006 through 10/31/2009. Using a market appraisal to determine the current ground lease rate for 11/1/2006 through 10/31/2009, the ground lease rate shall increase from $30,420.63 to $41,720.25 the first year, and to $53,010.57 for the remaining two-year period ending 10/31/2009. This results in a combined annual rent of $81,124.63 plus leasehold tax.

The Committee further recommended that the Mayor and City Clerk be
authorized to sign the addendum to the lease agreement with AirO, Inc.

COMPREHENSIVE PLAN AMENDMENT FROM THE TABLE. CARRIED.

Planning and Development Committee Vice Chair Clawson presented a report 
regarding the Kennydale Blueberry Farm Comprehensive Plan amendment and 
rezone request. The Committee recommended concurrence in the staff 
recommendation to deny the request for an amendment to the Comprehensive 
Plan map. The property should remain in the Residential Low Density land use 
designation. The Committee also recommended the following:

- The property be rezoned to Residential-4 units per acre (R-4);
- Special attention be paid to protecting the critical areas on this site at such 
time as this property applies for development permits; and
- Special attention be paid to impacts from those nearby parcels upon the 
critical areas on this property as the parcels around this property apply for 
development permits.

The Committee further recommended that the ordinance regarding this matter 
be presented for first reading. MOVED BY CLAWSON, SECONDED BY

**AUDIENCE COMMENT**

Citizen Comment: Hancock - Jet Center at Airport

Mark Hancock, PO Box 88811, Seattle, 98138, resident of Kennydale, stated that although he supports economic development, he does not support a jet center at the Renton Airport as it will harm the quality of life in Renton. He pointed out that the Federal Aviation Administration will not allow Renton to restrict hours of use at the airport and jets are noisy, all-weather planes, which fly day and night and low over homes. Mr. Hancock noted the lack of jet center specifics, recommending that discussion occur that compares and contrasts the details of the three proposed alternates, as well as other possible uses for the airport property. He concluded that there has been no real effort to find other alternatives to a jet center.

Councilmember Persson assured that no decisions have been made on any of the alternates, and everything that has been presented is still on the table. He stated that as the community outreach progresses, hybrids of the plans will arise.

Citizen Comment: Stevens - Jet Center at Airport

Elizabeth Stevens, 353 Taylor Ave. NW, Renton, 98057, stated that complete and unbiased data is important in decision making processes, including decisions being made for the Renton Airport. She expressed concern that a plan for the airport was developed, which quickly focused on a jet center without financial forecasting, environmental studies, and understanding about the impact on residential areas. Noting that a number of businesses would like the opportunity to be at the airport, Ms. Stevens said many of them will enhance the quality of life in Renton rather than damage it as corporate jets will.
Citizen Comment: Stern - Jet Center at Airport  

Jeff Stern, 8411 S. 113th St., Seattle, 98178, indicated that he lives in the West Hill Potential Annexation Area, and noted that over half of the area will be affected by Renton's decision concerning its airport. He requested that community outreach include the West Hill community as well as other affected neighborhoods. Mr. Stern pointed out that the new light jets are still noisy, and the frequency of the noise is more intrusive than from prop planes. He stated that the City is considering increasing jet use at the airport while forecasting only a small amount of net revenue as a result, and while promoting more residential development near the airport. Mr. Stern concluded by voicing his support for less intrusive uses at the airport.

Citizen Comment: Rider - 2006 Comprehensive Plan Amendments, Kennydale Blueberry Farm  

Susan Rider, 1835 NE 20th St., Renton, 98056, thanked Councilmember Corman for voting against the Kennydale Blueberry Farm rezone. She also thanked all Councilmembers for listening to everyone's concerns, and asked for support in protecting the wetland on the property.

Citizen Comment: Puckett - Wonderland Estates Mobile Home Park  

Jerry Puckett, 15260 Oak Dr., Renton, 98058, invited everyone to the Wonderland Estates Mobile Home Park's Saturday pancake fundraisers, saying that Councilmembers could tour the property. Additionally, he noted the attention the mobile home park has received from the media.
