EriAm Sisters Day - September 21, 2009

The girls’ father Mullu Abraham expressed gratitude for the outpouring of community support the girls have received. He remarked that September 21, 1983 was coincidentally the day he left Africa in search of a better future. Mr. Abraham said that to have talent is one thing, to have your talent discovered is another, but to be nurtured and given an opportunity to rise up is why his family is proud to be part of the Renton community.

SPECIAL PRESENTATION
Community Services: July 4th Wrap-up

Terry Higashiyama introduced Community Relations and Event Coordinator Sonja Mejlaendar. Ms. Mejlaendar reported that this year’s 4th of July event was possible because of the support of the City of Renton and two significant community partners The Landing and the Sanctuary and Reserve Apartments. She noted that the Sanctuary and Reserve Apartments sponsored the entertainment stage, and The Landing is now the title sponsor for the 2009 - 2011 4th of July events. She stated that the celebrations will be branded and marketed as “Renton’s Fabulous Fourth presented by The Landing.”

Ms. Mejlaendar reported that the event featured special activities for children and families including free face painting, inflatable toys, and a variety of stage shows. She remarked that the City Concert band, the EriAm Sisters, and rock and roll bands performed at the event. Ms. Mejlaendar also reported that fireworks were launched from a barge at 10 p.m., and for nearly 25 minutes over 20,000 attendees and the surrounding communities enjoyed the professional fireworks show.

Ms. Mejlaendar reported that a new ADA drop-off and pick-up area was established near the boat launch section of the park. She stated that this helped address the issue of limited parking for seniors and those with disabilities and families with children. She noted that the shuttle service was not provided this year, reducing the overall budget by $8,000. Ms. Mejlaendar further described the various marketing efforts that went into this event.

Ms. Mejlaendar reported that feedback and input from attendees help the City plan for future events. She highlighted three survey questions reporting that of those surveyed, 59% were from Renton zip codes, 41% were considered non Renton zip codes; 98% responded with a three or higher, out of a scale of 1-5, about their overall experience; and 95% responded that they would attend the event in the future.

Concluding, Ms. Mejlaendar reviewed the event’s fiscal impact and noted that sponsor contributions totaling $28,000 offset nearly 40% of this year’s costs. She stated that sponsorships cultivate valuable partnerships and create opportunities to effectively leverage City resources with community support. She introduced Rod Swift, representing The Landing.

Mr. Swift remarked that Renton’s Fabulous Fourth was a fantastic event and thanked City officials and staff for the opportunity to be the title sponsor for the next three years. Mayor Law presented Mr. Swift a Certificate of Appreciation for The Landing’s support of the event.
