PROCLAMATION
A proclamation by Mayor Law was read declaring September 2009, to be "Ready in Renton Month" in the City of Renton and encouraging all residents to prepare their homes, businesses, and community for any type of emergency. MOVED BY TAYLOR, SECONDED BY CORMAN, COUNCIL CONCUR IN THE PROCLAMATION. CARRIED.

Emergency Management Director Deborah Needham accepted the proclamation with appreciation. She thanked the community for being proactive regarding disaster preparedness.

SPECIAL PRESENTATION
Fire Chief and Emergency Services Administrator I. David Daniels awarded the crew of Engine 13 Meritorious Unit Citations for their outstanding efforts regarding the five-alarm fire that occurred at 900 Harrington Ave. NE on 6/30/2009. Mayor Law emphasized that the crew did an excellent job protecting nearby homes.

PUBLIC HEARINGS
This being the date set and proper notices having been posted and published in accordance with local and State laws, Mayor Law opened the public hearing to consider a petition for Street Vacation of a portion of right-of-way containing approximately 12,100 square feet, located east of Lake Washington Blvd. N., south of N. 44th St.

Property Services Specialist Karen McFarland reported that the requested vacation area is located immediately north of 4350 Lake Washington Blvd. N., the former site of Pan Abode Cedar Homes. She stated that the entire proposed vacation area is located within a Washington State Department of Transportation’s (WSDOT) limited access control area.
Ms. McFarland reported that the proposed vacation area was quit-claimed to the City by WSDOT on June 20, 1979 (by turn-back agreement). She explained that this was done pursuant to Chapter 78, Laws of 1977, first extraordinary session of the Washington State Legislature.

Ms. McFarland reported that the petition was submitted by Spencer Alpert on behalf of the Port Quendall Company on May 26, 2009. She remarked that 100 percent of the abutting property owners had signed the petition. Ms. McFarland also reported that the applicant's statement of purpose indicated that vacating the proposed area will enable Alpert International an opportunity to develop the vacated area in a manner consistent and compatible with the proposed Hawk's Landing development. It also indicated that the proposed vacation area is currently underdeveloped, not used for travel or other right-of-way purposes and is not reflective of the highest and best use of the property in relation to the City's Code. The statement further indicated that approval of the petition would not create incompatibility with the City's current transportation system or future plans known at this time, and the proposed vacation area would be turned into a privately-owned access point, maintained by the adjacent property owners and project developers.

Ms. McFarland reported that there are no facilities in the area of the vacation petition. She stated that the petition was circulated to City departments for review and that the Surface Water Utility Division requested that the petitioner provide an equivalent usable area, along the southwestern area of the Hawk's Landing project site, for a stormwater quality and/or detention vault in the future. Ms. McFarland stated that Puget Sound Energy, Qwest, Comcast, and Integra Telecomm were contacted and that no objections to the petition were raised. She remarked that WSDOT has approved the proposed vacation as required by the original turn-back agreement and noted that any compensation from the proposed vacation must be directed to the State Highway Fund under the terms of the agreement. She also reported that access from the site to Lake Washington Blvd. N. will be restricted to right-in, right-out and will require a restrictive median treatment as determined and approved by WSDOT. She re-emphasized that the proposed vacation area is within a limited access area and that the vacation could not change WSDOT's access rights.

Concluding, Ms. McFarland recommended approval of the vacation petition subject to the previously mentioned conditions. She stated that accordingly, the applicant will need to contact WSDOT and obtain any necessary approvals for any future land use changes in the requested vacation area.

Public comment was invited. There being none, it was MOVED BY BRIERE, SECONDED BY ZWICKER, COUNCIL CLOSE THE PUBLIC HEARING. CARRIED.

MOVED BY BRIERE, SECONDED BY ZWICKER, COUNCIL APPROVE THE VACATION PETITION SUBJECT TO THE FOLLOWING: PROVIDE AN EQUIVALENT AREA AS DETERMINED BY THE CITY'S SURFACE WATER UTILITY FOR SURFACE WATER TREATMENT AND DETENTION FACILITIES; LIMIT ACCESS TO LAKE WASHINGTON BLVD. N. TO RIGHT-IN, RIGHT-OUT TRAFFIC MOVEMENT AND REQUIRE RESTRICTIVE MEDIAN TREATMENT AS DETERMINED AND APPROVED BY WSDOT; UNDERSTAND THAT THE VACATION DOES NOT CHANGE WSDOT'S ACCESS RIGHTS AND THAT IT IS STILL A LIMITED ACCESS AREA CONTROLLED BY WSDOT. CARRIED.
This being the date set and proper notices having been posted and published in accordance with local and State laws, Mayor Law opened the public hearing to consider the Petition to Annex and zoning for the proposed Earlington Annexation; approximately 100 acres located east of 80th Ave. S., north of S. 134th St.

Associate Planner Angie Mathias reported that a closing letter approving final action for the Earlington Annexation was received from the Boundary Review Board on 7/10/2009. She explained that a public hearing was held on 4/6/2009 and that tonight's hearing is a second hearing regarding zoning and is required prior to effectuating the annexation.

Ms. Mathias stated that the site contains single-family homes, vacant land, steep slopes, and a Class 4 waterway. Reviewing the site’s zoning, she stated that the existing King County zoning is R-6 (six dwelling unit per gross acre), R-8 (eight dwelling units per gross acre), and R-12 (12 dwelling units per gross acre). She reported that the City’s Comprehensive Plan designates the site as eligible for residential single-family and residential medium density zoning. She stated that the proposed City zoning for the site is R-8 (eight dwelling units per net acre), R-10 (ten dwelling units per net acre), and R-14 (14 dwelling units per net acre).

Public comment was invited. There being none, it was MOVED BY TAYLOR, SECONDED BY ZWICKER, COUNCIL CLOSE THE PUBLIC HEARING. CARRIED.

MOVED BY TAYLOR, SECONDED BY ZWICKER, COUNCIL APPROVE FIRST READING OF THE ORDINANCE EFFECTUATING THE EARLINGTON ANNEXATION AND APPROVE THE FIRST READING OF THE ORDINANCES REZONING THE EARLINGTON ANNEXATION AREA TO R-8, CONSISTENT WITH THE RESIDENTIAL SINGLE FAMILY DESIGNATION; AS WELL AS R-10 AND R-14, CONSISTENT WITH THE RESIDENTIAL MEDIUM DENSITY DESIGNATION. (See pages 252 and 253 for ordinances.)

Fire and Emergency Services Administrator Daniels explained that Agenda Item 8.j., regarding pre-declaring a disaster with respect to the potential impacts of flooding from the Howard Hanson Dam, was being brought forward only as a preparedness measure. He remarked that if flooding was to occur, pre-declaring an emergency will ensure that the City will have all options regarding resources readily available.

Tom Jones (Woodinville) stated that he represents the Cascadia Program for regional development. He explained that Cascadia is a Seattle-based philanthropically and government funded transportation policy think-tank whose goal since 1993 is to be involved in and promote transportation issues and solutions in the public interest throughout the Northwest. Mr. Jones stated that Cascadia has been involved in the tunnel replacement for the Seattle viaduct, ferry service throughout the Sound, high-speed rail on the Amtrak corridor between Eugene, OR and British Columbia, and hybrid and electric vehicle promotion.

Continuing, Mr. Jones stated that Cascadia is also involved with commuter rail on the Renton to Snohomish BNSF railway line and remarked that Cascadia has never believed this could be a substitute for Sound Transit’s Eastlink light rail between Seattle and Redmond. He invited City officials, staff and community leaders to a Cascadia sponsored tour of the new Sonoma-Marin California

Refer to Finance Committee. MOVED BY PERSSON, SECONDED BY TAYLOR, COUNCIL CONCUR IN CONSENT AGENDA ITEM 8.1. CARRIED.

UNFINISHED BUSINESS

Transportation: School Zone Flashing Lights

MOVED BY ZWICKER, SECONDED BY PERSSON, COUNCIL REFER THE ISSUE OF SCHOOL ZONE FLASHING LIGHTS FROM THE TRANSPORTATION (AVIATION) COMMITTEE TO THE COMMITTEE OF THE WHOLE. CARRIED.

Transportation (Aviation) Committee

Transportation (Aviation) Committee Vice-Chair Zwicker presented a report recommending concurrence in the staff recommendation to:

1. Authorize lowering the speed limit from 35 miles per hour to 30 miles per hour on Edmonds Ave. SE and SE 116th St., from SE Puget Dr. to SE 192nd St, with the exception of school zones. The school zones established around Cascade and Benson Hill elementary schools shall remain in force dependent on time of day or the presence of children.

2. Authorize raising the speed limit from 35 miles per hour to 40 miles per hour for Benson Dr. S., from S. Puget Dr. to Petrovitsky Rd. SE. On 108th Ave. SE, authorize establishment of a set speed limit of 40 miles per hour from Petrovitsky Rd. SE to the south City limit at SE 192nd St.

3. For Duvall Ave. NE, authorize the establishment of 35 miles per hour as the speed limit from the north City limit to NE 4th St.

The Committee further recommended that the ordinance regarding this matter be presented for first reading. MOVED BY ZWICKER, SECONDED BY PERSSON, COUNCIL CONCUR IN THE COMMITTEE REPORT. CARRIED. (See page 254 for ordinance.)
Utilities Committee  
Utility: 2008 Long-Range Wastewater Management Plan

Utilities Committee Chair Zwicker presented a report recommending concurrence in the staff recommendation to approve the submittal of the 2008 Long-Range Wastewater Management Plan to King County for its review and approval.

MOVED BY ZWICKER, SECONDED BY BRIERE, COUNCIL CONCUR IN THE COMMITTEE REPORT. CARRIED.

Planning & Development Committee  
Planning: Land Use Fee Schedule Revision

Planning and Development Committee Vice-Chair Briere presented a report recommending concurrence in the staff recommendation to adopt an ordinance to amend land use permit fees.

Fee increases are being proposed for several types of land use applications, for example short plats and conditional use permits, in order to more adequately compensate for the City’s actual processing costs. In addition, the ordinance clearly assigns responsibility to the applicant for 100 percent of the cost of a contract biologist’s review for those projects needing Critical Areas review. This will not change building permit fees, impact mitigation fees, or public works-related fees. In the case of annexation, fees are proposed for elimination in order to further encourage annexations within the City’s Urban Growth Boundary. In order to maintain the City’s competitive position, the proposed fees are roughly 80 percent of the average of the fees charged by nearby jurisdictions.

The Committee further recommended that the ordinance regarding this matter be presented for first reading.

MOVED BY BRIERE, SECONDED BY ZWICKER, COUNCIL CONCUR IN THE COMMITTEE REPORT. CARRIED. (See page 254 for ordinance.)

Finance Committee  
Finance: Vouchers

Finance Committee Chair Persson presented a report recommending approval of Claim Vouchers 285389 - 285762 and four wire transfers totaling $4,223,516.25; and approval of 297 Payroll Vouchers, one wire transfer, and 853 direct deposits totaling $2,932,802.25.

MOVED BY PERSSON, SECONDED BY TAYLOR, COUNCIL CONCUR IN THE COMMITTEE REPORT. CARRIED.

**Audience Comment**

Howard McOmber (Renton) requested clarification regarding the time and place of the Sunset Area Investment Strategy special meeting. Council President Corman replied that the meeting will occur on 8/24/2009 at 6 p.m. at the Highlands Community Center, 800 Edmonds Ave. NE.

**Citizen Comment: McOmber-Sunset Area Investment Strategy Meeting**

Dave McCammon (Renton) remarked that a portion of 125th Ave. SE near SE 172nd St. remains a one lane road, although the county required most of the road to be widened to two lanes when the area was redeveloped. He displayed photographs of a cul-de-sac and fire hydrant and requested that City staff review the area. Mayor Law indicated that the issue would be reviewed.

**EXECUTIVE SESSION AND ADJOURNMENT**

MOVED BY CORMAN, SECONDED BY ZWICKER, COUNCIL RECESS INTO EXECUTIVE SESSION FOR APPROXIMATELY 30 MINUTES TO DISCUSS LABOR ISSUES (RCW 42.30.140.4.a.) WITH NO OFFICIAL ACTION TO BE TAKEN AND THAT THE COUNCIL MEETING BE ADJOURNED WHEN THE EXECUTIVE SESSION IS ADJOURNED. CARRIED. Time: 8:05 p.m.

Executive Session was conducted. There was no action taken. The executive session and the Council meeting adjourned at 8:44 p.m.
