CITY STAFF IN ATTENDANCE
JAY COVINGTON, Chief Administrative Officer; ZANETTA FONTES, Assistant City Attorney; BONNIE WALTON, City Clerk; GREGG ZIMMERMAN, Planning/Building/Public Works Administrator; LINDA HERZOG, Interim Assistant to the CAO; COMMANDER TIM TROXEL, Police Department.

SPECIAL PRESENTATIONS
City Clerk: Cable Television Franchise Renewal, Bradley and Guzzetta
Linda Herzog, Interim Assistant to the CAO, reported that the franchise with Comcast Cable expires in 2008, and introduced Mike Bradley of Bradley and Guzzetta who has been retained by the City to assist with the franchise renewal process. Mr. Bradley explained that cable operators are required to have a franchise with a city before they can provide cable services. He noted that cable operators occupy public rights-of-way, which is a valuable right.

Mr. Bradley stated that the cable franchise renewal process is an opportunity for the City to reflect back on the past performance of the cable operator, and to assess the community's needs. He pointed out that some of the issues the City will address are as follows: the ability to manage and to receive fees for the public rights-of-way; the ability to regulate cable rates and programming; construction; institutional networks; public educational and governmental access; and customer service standards.

Continuing, Mr. Bradley discussed the work plan, which includes reviewing the current cable franchise compliance; conducting a needs assessment; drafting a needs assessment report, franchise agreement, staff report, and request for renewal proposals (RFRP); presenting the reports to Council; issuing the RFRP; and receiving the formal renewal proposal from Comcast. In conclusion, Mr. Bradley stressed that the more the City prepares, the more successful the cable franchise renewal process will be.

In response to the inquiries of Mayor Pro Tem Corman and Councilmember Clawson, Mr. Bradley said the renewal process will take approximately one and one-half years, and the issues expected to arise during negotiations include the franchise fee, definition of gross revenue, funding for governmental and public access television, and customer service.

Councilman Law commented on the frustration in dealing with a monopoly. He noted the lengthy and expensive renewal process, and the possibility of teaming up with other jurisdictions. Responding to Councilman Law's inquiry, Ms. Herzog stated that depending on the length of the franchise renewal process, the cost of the consultant contract can range from $58,000 to $150,000 or more for the entire renewal process (2006-2008), with $102,500 budgeted for 2006.
Councilman Persson noted that the cable franchise fees the City receives are funding the renewal process.

Community Services: 2006 State Youth of the Year, Boys & Girls Club

Daniel Johnson, President/CEO of Boys & Girls Clubs of King County, reported that last Tuesday at the Governors mansion, Governor Gregoire announced that 2006 King County Youth of the Year Kelly Barefield was selected as the 2006 State Youth of the Year for the Boys & Girls Clubs. He stated that Ms. Barefield competed against 20 organizations around the State, and will go on to compete at the regional level.

Mr. Johnson introduced Ms. Barefield, saying that she is a senior at Renton High School, is involved in many activities, and is a volunteer and active member of the Renton/Skyway Boys & Girls Club. Ms. Barefield described the obstacles she and her family have overcome, and she credited the Boys and Girls Club for helping her realize her self-worth and potential.

ADMINISTRATIVE REPORT

Chief Administrative Officer Jay Covington reviewed a written administrative report summarizing the City’s recent progress towards goals and work programs adopted as part of its business plan for 2006 and beyond. Items noted included:

- The Washington State Department of Transportation will hold a public hearing on March 22nd at the Renton Senior Activity Center to receive comments on a recently issued Environmental Assessment of the planned I-405 Renton to Bellevue project, which includes safety and congestion relief improvements along I-405 from SR-169 to I-90.
- The Recreation Division's Special Olympic Basketball Teams, a total of 32 athletes, recently participated in the State tournament in Wenatchee.

CONSENT AGENDA

Items on the consent agenda are adopted by one motion which follows the listing.

Development Services: The Landing ROW Dedications

Development Services Division recommended acceptance of right-of-way dedications for N. 6th St., N. 8th St., N. 10th St., Logan Ave. N., and Park Ave. N. for The Landing site development project, to fulfill a requirement of the Boeing Development Agreement. Council concur.
