SPECIAL PRESENTATION

WSDOT: I-405 Corridor Program Update

Mike Cummings, Corridor Planning Supervisor with Washington State Department of Transportation (WSDOT), detailed the I-405 Corridor Program timeline, noting that the final Environmental Impact Statement (EIS) and recommendations are scheduled to be issued in October 2001. Don Samdahl, Principal with WSDOT, reviewed the main components of the Preliminary Preferred Alternative, similar to Alternative 3 (Mixed Mode with High Capacity Transit Emphasis) as follows:

- Transportation Demand Model – Increase the number of vanpools (1700 new vehicles), improve public education, expand employer-based programs, and continue analysis of pricing solutions as part of a regional system.

- High Occupancy Vehicles (HOV) – Complete the series of ramps connecting arterials and freeways directly to HOV lanes on I-405. This allows carpools, vanpools and buses to use the HOV lanes without weaving across other traffic.

- Transit/High Capacity Transit (HCT) – Expand transit service (up to 100%) in the corridor; implement a bus rapid transit (BRT) type service for most north-south transit travel; and explore automated high capacity (rail or BRT) options for cross-lake (SR-520/I-90 Corridor).

- Roadway – Add up to two general-purpose lanes in each direction on I-5 between Tukwila and Lynnwood plus supporting arterial and freeway connections.

- SR-167 & Interchange Improvements – Improve the SR-167 and I-405 Interchange; and widen SR-167 by up to two lanes in each direction to accommodate growing demand and the effects of improvements at the I-405/SR-167 interchange.
Mr. Cummings reviewed the issue of securing the Burlington Northern Santa Fe (BNSF) Railroad right-of-way for future transportation opportunities. He acknowledged the City of Renton's objection to non-trail uses of the BNSF right-of-way in its jurisdiction and its request that the City's portion of the BNSF corridor be removed from the Preliminary Preferred Alternative. Mr. Cummings reported that the I-405 Corridor Program Steering Committee recommended the following: leave the BNSF right-of-way element in the Preferred Preliminary Alternative; record Renton's objections; the project management team (PMT) will modify outreach materials to highlight Renton's objection to the element; and the PMT will provide more information on possible impacts of HCT alignment on I-405 through Renton.

Continuing, Mr. Cummings explained that at its meeting in June, the Executive Committee approved the Steering Committee's recommendation after an in-depth discussion of Renton's position. The Committee emphasized the need to continue working with the City and other jurisdictions along the BNSF corridor to address neighborhood issues, and expressed support for not allowing this issue to impact the whole program.

Councilman Corman, who represented the City at the Executive Committee meeting, commented that although the Executive Committee agreed with the Steering Committee's position on the matter, the Executive Committee expressed an understanding of Renton's position. He noted that other jurisdictions also expressed concerns about the BNSF right-of-way preservation issue.

In conclusion, Mr. Cummings described potential options to resolving this issue which include: informal discussions among key participants, set up negotiation process (possibly involving the Executive Committee), and if the element is still included in the Preferred Alternative when the final recommendation is reported in October, Renton can choose not to concur with the recommendation.

Responding to Councilman Persson's inquiry regarding the I-405 Corridor Program's vision for preserving the BNSF right-of-way, Mr. Cummings stated that the right-of-way corridor may offer some opportunities in the future for technology that has not yet been developed. He explained that the right-of-way is a unique asset, and the Program does not want to see it broken into pieces and sold off.

**ADMINISTRATIVE REPORT**

Chief Administrative Officer Jay Covington reviewed a written administrative report summarizing the City’s recent progress towards goals and work programs adopted as part of its business plan for 2001 and beyond. Items noted included:

- The Special Population program held one of two unique Partner and Pals day camps last week at North Highlands Neighborhood Center. The program creates an opportunity for children with special needs to experience camp with other children in their age group.

- The Community Center will host the United States Corporate Challenge Athletic Association banquet on Sunday, July 22nd. This Microsoft sponsored event includes over 500 athletes participating in track and field events in the City.
American Bass is hosting its annual tournament at Coulon Park on July 21st and 22nd, during which over 50 boats and fisherman will compete for prizes.

At the request of Council, Correspondence was read from Dave Hawkins, 10636 SE 166th St., Renton, 98055, supporting the Hearing Examiner's decision to grant his appeal of the Administrative Determination for the Montemayor Short Plat (item 6.b.); and challenging various points denoted in Mark DeWitt's appeal of the Hearing Examiner's decision. Refer to Planning & Development Committee.

MOVED BY NELSON, SECONDED BY KEOLKER-WHEELER, COUNCIL APPROVE THE CONSENT AGENDA AS AMENDED WITH THE ADDITION OF THE DAVE HAWKINS LETTER. CARRIED.

CORRESPONDENCE

Citizen Comment: Kyes – Fireworks Ban

Correspondence was read from Douglas Kyes, 3924 NE 11th Pl., Renton, 98056, requesting that all fireworks in the City be eliminated, except for those managed by the City. MOVED BY CORMAN, SECONDED BY NELSON, COUNCIL REFER THIS CORRESPONDENCE TO THE PUBLIC SAFETY COMMITTEE. CARRIED.

Citizen Comment: Halinen – Morgan Place Preliminary Plat (PP-01-028) & Lyons Ave NE Vacation Request (VAC-01-002)

Correspondence was read from David L. Halinen, Halinen Law Offices, P.S., 10500 NE 8th St., Suite 1900, Bellevue, 98004, conveying Carlton Development Group's request to withdraw the street vacation request for Lyons Ave. NE (VAC-01-002); and the request to forward the Morgan Place Preliminary Plat (PP-01-028) to the Council for approval.

Assistant City Attorney Zanetta Fontes explained that the street vacation application is being withdrawn, and the preliminary plat will be forwarded to Council with a minor amendment to the plat in which proposed lots 21 through 23 will be reconfigured into two lots.

OLD BUSINESS

Airport: US Customs Facility & US Dept of Justice INS Port of Entry Designation

Responding to Councilwoman Keolker-Wheeler's inquiry regarding the status of the U.S. Customs Service inspection facility at the Renton Airport, Planning/Building/Public Works Administrator Gregg Zimmerman reported receipt of two letters from U.S. Customs Service requesting that the City move forward with providing a customs inspection facility at the airport. One of the letters contained an ultimatum in which the Customs Service stated that it may consider removal of the airport's international landing rights if a facility is not provided. Mr. Zimmerman said that City staff is gathering information and plans to produce an issue paper and agenda bill with a recommendation that the matter be referred to the Transportation (Aviation) Committee.

Mr. Zimmerman reported that Transportation Systems Director Sandra Meyer has discussed the matter with a representative of the Customs Service, resulting in a temporary reprieve from the ultimatum while Customs approaches the matter through a public process.

Mr. Zimmerman also reported receipt of a letter from the U.S. Department of Justice Immigration and Naturalization Service in which it states that the airport has not been designated by the Attorney General as a port of entry for aliens from Canada and other countries. MOVED BY KEOLKER-WHEELER, SECONDED BY PERSSON, COUNCIL REFER BOTH ITEMS TO THE TRANSPORTATION (AVIATION) COMMITTEE. CARRIED.

Councilman Corman suggested that the City consider applying for a grant from the Federal Aviation Administration to help fund the construction of a U.S. Customs Service facility on the Renton Airport.
Vacation: Timing of Street Vacation Decision & Related Land Use Action, Code Revisions

Councilwoman Keolker-Wheeler discussed the necessity for a final decision on a street vacation being made prior to the required public hearing on the related land use proposal. MOVED BY CLAWSON, SECONDED BY KEOLKER-WHEELER, COUNCIL REFER MATTER TO COMMITTEE OF THE WHOLE. CARRIED.

Citizen Comment: Dobson-Rebar – Renton Western Wear Alley Status (Sheridan Mixed Use Development)

Councilwoman Keolker-Wheeler requested that Administration respond to a letter dated July 9, 2001, from Diane M. Dobson-Rebar, REN-FOUR, Inc., PO Box 59, Renton, 98057, regarding the status of the alley adjacent to Renton Western Wear between S. 2nd and S. 3rd Streets.

Community Services: Public Address System Improvements

MOVED BY PARKER, SECONDED BY KEOLKER-WHEELER, COUNCIL REFER MATTER OF PUBLIC ADDRESS SYSTEMS AT CITY FACILITIES, INCLUDING THE USE OF PORTABLE MICROPHONE IN COUNCIL CHAMBERS, TO THE COMMUNITY SERVICES COMMITTEE. CARRIED.

King County: Jail Contract

Councilwoman Keolker-Wheeler requested a status report on the jail contract negotiations with King County. Chief Administrative Office Covington reported that Police Chief Anderson is a member of the jail negotiation team and stated that reports would be presented to Council during the next informal Committee of the Whole.

Councilman Persson encouraged the City to investigate the possibility of charging King County when Renton holds its prisoners as King County does when it holds Renton prisoners.

Legislature: Legislative Districts Redistricting in Renton (from 6 to 3)

Responding to Councilwoman Keolker-Wheeler's inquiry regarding the City's position on the redistricting of legislative districts, Chief Administrative Officer Jay Covington said that after Council discussion of the matter in March, it was decided that the City should encourage the Washington State Redistricting Commission to consider reducing the number of legislative districts in Renton from six to three. He reported that a letter stating that position was sent to the Redistricting Commission, and a joint letter urging the Commission to consider the reduction of districts to be signed by the City, Renton School District, Renton Technical College, Valley Medical Center and the Greater Renton Chamber of Commerce is being drafted.

Mr. Covington reported that Mayor Tanner and Economic Development Administrator Sue Carlson were planning on attending the August 2nd meeting on the matter, and he noted that the letter would be completed in time for the meeting. Mayor Pro Tem Clawson said he would also be available to attend the meeting.

Finance Committee
Human Resources: Administrator Positions Reclassification

Announcing a potential conflict of interest on the next item, Councilwoman Keolker-Wheeler excused herself from the meeting. Time: 8:42 p.m.

Finance Committee Chair Parker presented a report regarding the compensation study for Department Administrators. The Finance Committee recommended concurrence in the staff recommendation to approve the reclassifications of the Administrator positions. If approved, the following positions will be reclassified from grade m43 to grade m49. Effective July 1, 2001, the Administrator positions will be placed in salary grade m49 with a monthly salary range of $7,610 - $9,273. Current incumbents Susan Carlson, Economic Development Administrator; Victoria Runkle, Finance & Information Services Administrator; James Shepherd, Community Services Administrator; Michael
Webby, Human Resources Administrator; Fire Chief Lee Wheeler; and Gregg Zimmerman, Planning/Building Public Works Administrator will be placed at step D, and Police Chief Garry Anderson will be placed at step E. In addition to the proposed salary reclassification, the City will eliminate longevity for all Administrators. Education incentive, longevity and uniform allowances provided to the Police Chief and Fire Chief will also be eliminated.

The cost for the proposed reclassification is outlined below and funds are not available in the current budget.

Additional Salary:

The Administration also recommended that the City Council allocate $25,147.70 from unallocated fund balance in the general fund to each of the individual department's budget to cover the additional costs of this reclassification. MOVED BY PARKER, SECONDED BY NELSON, COUNCIL CONCUR IN THE COMMITTEE REPORT. CARRIED.

(Councilman Persson requested that his no vote be recorded.)

Councilwoman Keolker-Wheeler returned to the meeting. Time: 8:45 p.m.

Finance: Vouchers

Finance Committee Chair Parker presented a report recommending approval of Claim Vouchers 194473 - 194931, and two wire transfers totaling $1,186,757.02; and approval of Payroll Vouchers 32332 - 32677 and 548 direct deposits and one wire transfer, totaling $1,712,246.09. MOVED BY PARKER, SECONDED BY NELSON, COUNCIL CONCUR IN THE COMMITTEE REPORT. CARRIED.

Community Services:
Downtown Parking Garage Project, LMN Architects

Finance Committee Chair Parker presented a report regarding the consultant selection for the Downtown Parking Garage. The Committee concurred with the staff recommendation to authorize the Mayor and City Clerk to sign a consultant agreement with LMN Architects to design, bid, and oversee construction of a parking garage located on S. 2nd St. between Burnett Ave. S. and Logan Ave. S. The fee for those basic services contained in the draft agreement is $555,340 with an option for retail design services at $41,655. MOVED BY PARKER, SECONDED BY NELSON, COUNCIL CONCUR IN THE COMMITTEE REPORT. CARRIED.

Committee of the Whole
Transportation: Downtown Parking Garage

Council President Pro Tem Nelson presented a report regarding the bond issuance for funding of the Downtown Parking Garage. The Committee of the Whole recommended building a six-floor parking garage with 590 spaces at S. 2nd St. between Burnett Ave. S. and Logan Ave. S. The recommendation includes building the first floor with a higher ceiling and conduit placement to permit retail space. This will permit the area to be built out as commercial space, in the future, if there is an interest in this.

The Committee further recommended that the bond issuance process begin immediately. This will ensure the lowest cost possible for the bond costs as
interest rates are at a historical low. The average annual debt service is estimated to be approximately $483,700 for 20 years. The Finance and Information Services Department is directed to begin the work associated with the bond issuance. This will include returning to the Council for a bond ordinance before the bonds are issued. MOVED BY NELSON, SECONDED BY CORMAN, COUNCIL CONCUR IN THE COMMITTEE REPORT. CARRIED.

ORDINANCES AND RESOLUTIONS

Resolution #3514
Airport: Moratorium on Approval of Leases and Subleases

A revised resolution was read declaring a moratorium on the approval of leases and subleases on the Renton Airport, establishing a public hearing date (held July 9, 2001) and correcting the termination date of the moratorium to October 31, 2001. MOVED BY PERSSSON, SECONDED BY NELSON, COUNCIL ADOPT THE RESOLUTION AS READ. CARRIED.

AUDIENCE COMMENT

Citizen Comment: Paholke – US Customs Service Facility at Airport

Diane Paholke, 325 Edmonds Ave. SE, Renton, 98056, urged Council to take the matter concerning the U.S. Customs Service facility at the Renton Airport seriously. Stating that the customs service is valuable to the airport leaseholders, and after speaking with a representative from U.S. Customs, Ms. Paholke felt that the agency is willing to work on a resolution to the problem. She added that there has been a lot of misinformation regarding the potential use of the restaurant building property located on the airport as a customs facility. She encouraged the City to resolve the issue with U.S. Customs Service, and agreed that the City should request funding for the facility from the Federal Aviation Administration.

Discussion indicated that Councilmembers were generally supportive of provisions of a customs facility, but noted that the City is currently working on developing the airport business plan. Transportation Systems Director Sandra Meyer indicated that she tried to convey to U.S. Customs Service that the City is working on a business plan and that the results of the plan would be forwarded to Customs; however, the customs official indicated that any delay was unacceptable.

MOVED BY CORMAN, SECONDED BY NELSON, COUNCIL DIRECT THE ADMINISTRATION TO PREPARE A LETTER TO THE U.S. CUSTOMS SERVICE FOR THE COUNCIL PRESIDENT'S SIGNATURE EXPRESSING THE CITY'S INTENT TO PROVIDE A CUSTOMS FACILITY FOR INSPECTIONS AT THE RENTON MUNICIPAL AIRPORT.*

It was noted that the administration is welcome to co-sign the letter, if desired. Councilmembers discussed the need for a customs facility at the airport; and the timing of location and construction of the facility concurrent with development of the airport business plan. It was noted that the Transportation (Aviation) Committee will be studying this issue and will make specific recommendations regarding location of the facility at a later date.

*MOTION CARRIED.

On another subject, Ms. Paholke requested that the City publish information about the Special Population day camps in the summer day camp section of the What's Happening brochure distributed by the Community Services Department.
EXECUTIVE SESSION

MOVED BY NELSON, SECONDED BY CORMAN, COUNCIL ADJOURN INTO EXECUTIVE SESSION FOR 28 MINUTES TO DISCUSS A PERSONNEL MATTER AND POTENTIAL LITIGATION. CARRIED. Time: 9:15 p.m.

The meeting was reconvened at 9:43 p.m.; roll was called; all Councilmembers present.

ADJOURNMENT

MOVED BY CORMAN, SECONDED BY BRIERE, COUNCIL ADJOURN. CARRIED. Time: 9:43 p.m.
