Transportation: I-405 Corridor Program Preferred Alternative

At the request of Council President Clawson, Ron Anderson of David Evans and Associates, 415 118th Ave. SE, Bellevue, 98005, continued his presentation regarding the preliminary preferred alternative for the I-405 Corridor Program carried over from the Committee of the Whole meeting which preceded the Council meeting. Mr. Anderson said that the project began in February 1999, and it is now to the point where an Environmental Impact Statement (EIS) will be prepared in March or April of 2001. He noted that City staff is recommending that Mixed Mode Alternative 3 be chosen as the preliminary preferred alternative for this project.

Responding to Mayor Tanner’s inquiry, Mr. Anderson said that he has received input from other cities but as of yet, no formal endorsements.

Councilwoman Keolker-Wheeler and Mayor Tanner expressed their concerns regarding endorsing the preferred alternative without more discussion and the short notice the City was given to make such a decision.

Mayor Tanner polled the Council to determine whether the matter should be held for further discussion. All members concurred.

Following Council discussion regarding which committee should review the proposal in more depth, it was decided to keep the matter in Committee of the Whole to be discussed again on January 22nd at 6:00 p.m.

PROCLAMATION

January 28 to February 3 – “Toastmasters Week”

A proclamation by Mayor Tanner was read declaring the week of January 28 through February 3, 2001, to be “Toastmasters Week” in the City of Renton, and encouraging all citizens to recognize the many accomplishments and opportunities in communication and public speaking this outstanding
organization has realized for people everywhere. MOVED BY CLAWSON, SECONDED BY KEOLKER-WHEELER, COUNCIL CONCUR IN THE PROCLAMATION AS READ. CARRIED.

Stephen Kennedy accepted the proclamation on behalf of Toastmasters.

SPECIAL PRESENTATION
Human Services: Human Services Advisory Member Introduction, Alice Campbell Watson

Human Services Manager Karen Marshall introduced Alice Watson Campbell, the newest member of the Human Services Advisory Committee. Ms. Marshall described Ms. Campbell’s qualifications, saying that she is looking forward to working with her.

PUBLIC MEETING
Annexation: Honey Creek East, Union Ave NE

This being the date set and proper notices having been posted and published in accordance with local and State laws, Mayor Tanner opened the public meeting to consider the 10% Notice of Intent to Annex Petition for the proposed Honey Creek East Annexation; 28 acres located west of Union Ave. NE and south of Sierra Heights Elementary School.

Owen Dennison, Senior Planner, explained that the proposed annexation area is comprised of 54 single-family homes and nine acres of vacant land. Existing zoning under King County is R-6, which allows up to a base density of six units per gross acre (up to nine units per acre with incentives and transfer of density credits). Renton’s Comprehensive Plan designates this area Residential Single Family, for which potential zoning is R-8 (Residential Single Family; eight dwelling units per acre) and RMH (Residential Manufactured Home Park).

Continuing, Mr. Dennison said that the subject site is within Renton’s water and sanitary sewer service areas. He noted that roadways in the area do not meet minimum City standards and there is a shortfall of parkland. The proposed site is currently served by the City under contract with Fire District #25, and with annexation, the site would transfer to Renton’s service area. Mr. Dennison concluded that the proposed annexation is generally consistent with Renton’s Comprehensive Plan annexation policies and the objectives of the King County Boundary Review Board. Staff recommends that Council accept the 10% Notice of Intent to Annex petition.

Public comment was invited.

Jose M. Grande, 13035 SE 101st St., Renton, 98056, stated his opposition to the proposed annexation. Indicating that he lives within the annexation area and his residence is not connected to the sewer, Mr. Grande stated his opinion that annexing to the City would entail extra expenses. He indicated that he would prefer to be annexed by the City of Newcastle. Mr. Grande said he was concerned that once annexed, the subject area would see a significant increase in population resulting in increased noise and congestion.

Mayor Tanner noted that since the proposed annexation site is within Renton’s Potential Annexation Area, the site cannot be annexed by the City of Newcastle.

Responding to Councilman Corman’s inquiry regarding sewer connection requirements, Planning/Building/Public Works Administrator Gregg Zimmerman said that sewer connection is only required in Aquifer Protection Area One. In the case of Local Improvement Districts (LID), when the majority of homeowners in an area decide to install infrastructure, each property owner is required to hook up to the sewer. However, in the case of developer extensions or annexation where no LID is present, connection to the sewer is
Mr. Zimmerman pointed out that there is a provision in the City Code which indicates that under certain circumstances, residents who refuse to hook up to the sewer could be charged a monthly utility fee. He said that he would welcome the opportunity to revisit the issue and suggested referral to committee. MOVED BY CORMAN, SECONDED BY KEOLKER-WHEELER, COUNCIL REFER THE MATTER REGARDING SEWER CONNECTION UTILITY FEES TO THE UTILITIES COMMITTEE. CARRIED.

MOVED BY CLAWSON, SECONDED BY PERSSON, COUNCIL CLOSE THE PUBLIC MEETING. CARRIED.

MOVED BY KEOLKER-WHEELER, SECONDED BY NELSON, COUNCIL: ACCEPT THE 10% NOTICE OF INTENT TO ANNEX; AUTHORIZE CIRCULATION OF THE 60% PETITION; REQUIRE ADOPTION OF CITY ZONING ON THE PROPERTY CONSISTENT WITH THE COMPREHENSIVE PLAN; AND REQUIRE THAT THE PROPERTY OWNERS ASSUME A PROPORTIONAL SHARE OF THE CITY’S BONDED INDEBTEDNESS. CARRIED.

ADMINISTRATIVE REPORT

Chief Administrative Officer Jay Covington reviewed a written administrative report summarizing the City’s recent progress towards goals and work programs adopted as part of its business plan for 2001 and beyond. Items noted included:

- The City of Renton’s website, www.ci.renton.wa.us, averaged approximately 14,000 hits each week in 2000.
- Renton Firefighter’s Local 864 cooked Thanksgiving dinner for 100 people at the Griffin Home, donated $500 to a family burned out of their Renton home, and supplied Thanksgiving and Christmas dinners for two needy families in the Renton area.

CONSENT AGENDA

Items on the consent agenda are adopted by one motion which follows the listing.

Appeal: Monopole at N 30th St, Kennydale Neighborhood Association & AT&T Wireless

City Clerk submitted appeals of the Hearing Examiner’s decision regarding a request for conditional use permit to erect a monopole at 1321 N. 30th St.; appeals filed on 11/09/2000 by Kim Brown representing Kennydale Neighborhood Association and on 11/13/2000 by AT&T Wireless, represented by John C. McCullough, accompanied by the required fees. Refer to Planning & Development Committee.

CAG: 00-064, Old City Hall Flood Wall Project, Stouder General Construction

Community Services Department submitted CAG-00-064, Old City Hall Flood Wall Project; and recommended approval of the project, authorization for final pay estimate in the amount of $7,938.66, commencement of 60-day lien period, and release of the retainage bond to Stouder General Construction LLC, contractor, if all required releases are obtained. Council concur.

Plat: Windwood Division 3, NE 4th Pl & Pasco Ave NE (FP-00-086)

Development Services Division recommended approval, with conditions, of the Windwood Division 3 final plat; 50 single family lots on 14.41 acres located in the vicinity of NE 4th Pl. and Pasco Ave. NE (FP-00-086). Council concur. (See page 4 for additional discussion on this item and page 6 for resolution.)

Executive: CitySource Printing

Executive Department recommended approval of a contract in the amount of
& Distribution (Renton Reporter) $73,440 with the Renton Reporter to print and distribute CitySource, the City’s newsletter to its citizens, in 2001 and 2002. Refer to Community Services Committee.

Technical Services: Latecomer Agreements, City Code Changes Technical Services Division submitted proposed amendments to City Code changing the service fees and conditions required of private developers for latecomer agreements. Refer to Utilities Committee.

Technical Services: Surplus of City-owned Property, 333 Main Ave S Technical Services Division requested approval to declare surplus City-owned property located at 333 Main Ave. S., originally purchased for the Main Ave. S. widening project. Portions of the property were used for the project and the remainder is not needed by the City. Refer to Board of Public Works; set public hearing for February 26, 2001, to take testimony on the proposal.

Lease: Boeing Employee Flying Association Lease at Airport, LAG-87-001 Transportation Division recommended approval of Addendum 05-00 to LAG-87-001, airport lease with Boeing Employee Flying Association, to establish a new rental rate of $.3220 per square foot per year, an increase of $.042 from the previous rate of $.28 per square foot per year. Council concur.

Transportation: Civil Engineer III Hire at Step D Transportation Systems Division requested authorization to fill vacant Civil Engineer III Position at Step D. Council concur.

Plat: Windwood Division 3, NE 4th Pl & Pasco Ave NE (FP-00-086) Responding to Council President Clawson’s inquiry regarding the use of rolled curbs in the Windwood Division 3 subdivision (consent item 9.c.), Planning/Building/Public Works Administrator Gregg Zimmerman affirmed that Renton requires the installation of vertical curbs. He explained that there are several instances in the annexation areas where the original platting was inherited from King County and he speculated that may have happened in this case since King County allows the use of rolled curbs. Mr. Zimmerman said that he will investigate the matter and report back to Council prior to recording the final plat.

MOVED BY CLAWSON, SECONDED BY CORMAN, COUNCIL APPROVE THE CONSENT AGENDA AS PRESENTED. CARRIED.

CORRESPONDENCE Correspondence was read from Mike Davis, Davis Consulting, Inc., 27013 Pacific Hwy. S., PMB #353, Des Moines, 98198, withdrawing the Anderson Annexation application due to lack of neighborhood support to complete the 60% petition for annexation.

OLD BUSINESS Council President Clawson presented a report regarding the contract for professional real estate services for the Pavilion Building. The Committee recommended Council authorize the administration to sign the contract with CB Ellis Commercial Real Estate as brokers to provide exclusive representation for the leasing of the Pavilion Building for retail space until May 1, 2001. All proposed leases will be brought back to the Council for approval. MOVED BY CLAWSON, SECONDED BY BRIERE, COUNCIL CONCUR IN THE COMMITTEE REPORT. CARRIED.

Planning & Development Committee Planning & Development Committee Chair Keolker-Wheeler presented a report regarding the request to modify height restrictions for the Conrad Short Plat. Upon consideration of input from staff and the potential developer of the property, the Planning and Development Committee has agreed to consider modifying the Restrictive Covenant established as part of the approvals for the Taco Time Comprehensive Plan Amendment/Rezone and the Conrad Short Plat. The modification would be pursuant to Policy and Procedure No. 400-13, Removal and/or Modification of Restrictive Covenants.
The Covenant currently limits construction to “one story in height, with future remodels governed by the R-10 zoning in effect at the time of remodel.” In order to clarify this language and to allow flexibility for development within the intent of the restriction, the Committee is considering modifying the language as follows:

“Initial construction shall be limited to one story in height, with the allowance for additional bedrooms under roof eaves within the established roofline of the single story structure. The structures shall be constructed in a manner that is harmonious with the established “rambler-type” housing of the neighborhood. Future remodels shall be governed by the R-10 zoning in effect at the time of the remodel, or the successor zone most similar to the R-10 zone which exists at the time of this covenant.”

In recognition of the fact that the original Comprehensive Plan Amendment/Rezone action involved substantial comment and interest from the neighborhood, the Committee would like to hear input from interested parties prior to making its recommendation. Therefore, the Planning & Development Committee recommended that a public meeting take place on Tuesday, January 23rd, at 7:00 p.m. in the Council Chambers. The meeting will allow the Committee to discuss the potential impacts of modifying the height restriction as requested with members of the public, as well as allow attendees to view renderings of potential building elevations. Appropriate public notice will be given to all parties of record. The Committee will then submit a recommendation to the full Council at the February 5th meeting.

**Transportation Committee**

**Transportation: Traffic Sign Installation at NE 4th St & Anacortes Ave SE**

Transportation Committee Chair Persson presented a report recommending that Council authorize the Administration to direct the installation of yield signs on SE 4th St. and Anacortes Ave. SE for the purpose of slowing motorists and making them aware that they must yield to traffic on Anacortes Ave. SE.

The Committee will hold the issue in committee until July 2001, at which time the Transportation Division will report on the effectiveness of the installed traffic devices. MOVED BY PERSSSON, SECONDED BY KEOLKER-WHEELER, COUNCIL CONCUR IN THE COMMITTEE REPORT. CARRIED.

**Transportation: I-405/NE 44th St Interchange Preliminary Design, Entranco, CAG-00-103**

Transportation Committee Chair Persson presented a report regarding Supplement No. 2 to CAG-00-103, agreement with Entranco, Inc., for the I-405/NE 44th St. Interchange Preliminary Design. At its regularly scheduled meeting on December 19, 2000, the Transportation Committee concurred with the Planning/Building/Public Works Department’s recommendation to execute Supplement No. 2 for additional preliminary design work to be performed by Entranco, Inc. The estimated fee for the additional work is $296,953. The additional work is required in order to implement the Project Leadership Team’s direction to defer construction of HOV direct access ramps at the interchange until a later date, perhaps as part of the I-405 corridor improvements.

Funding for Supplement No. 2 is covered by the provisions of the 2001 budget in the Six-Year Transportation Improvement Program, 2001 through 2006,
adopted by the City Council on July 10, 2000. The City is responsible for management of the preliminary design phase of the project. A Memorandum of Understanding has been recorded between the City, the State of Washington (WSDOT) and Vulcan NW (representing the potential developers of the Port Quendall properties) whereby each partner will pay a one-third share of the engineering costs during this phase.
