Mr. Andrews described an incident that occurred at Ron Regis park in June of 1998, where a contractor’s equipment had been repeatedly vandalized by gunfire and a fire was set which destroyed several vehicles. The Fire Department investigated the arson but the leads ran out and the case became inactive. Fortunately, in 1999, witnesses came forward with information that led to the arrest and conviction of the arsonist.

Deputy Fire Chief Gordon introduced George Eastman, Vice President of the Washington Insurance Council’s Arson Alarm Foundation. Mr. Eastman presented the award to the Fire Department which in turn will present the award to the witnesses who wish to remain anonymous. Fire Chief Wheeler accepted the award on behalf of the witnesses, thanking the Arson Alarm Foundation for its support and commending citizens who step forward to assist the Fire Department in solving these cases.

OLD BUSINESS

Community Services

Community Services Committee Chair Nelson presented a report recommending concurrence in the Mayor’s appointment of Troy Wigestrand to
Committee
Appointment: Park Board

Committee Chair Nelson presented a report recommending approval to expand the Neighborhood Program. The expansion includes a three-year, full-time limited term position (estimated at a grade 12 position), an improved grant program, additional support for neighborhood picnics, and an aggressive outreach program. This includes a budget increase of approximately $75,520, which will be incorporated into the 2001 budget. This recommendation also includes the adoption of the definition of a neighborhood picnic as follows:

Purpose:

A neighborhood activity that is an opportunity for neighbors who reside in a specifically defined neighborhood to gather together to honor the uniqueness and accomplishments of their neighborhood. It is a vehicle for neighbors to get together to network and discuss neighborhood ideas, issues and concerns unique to the neighborhood, and to get to know each other.

Elements:

The planning of a neighborhood picnic requires the coming together of neighborhood residents to plan and coordinate a “family picnic” exclusively for families and friends who reside in the neighborhood. It is a vehicle to promote a healthy, vibrant and self-reliant neighborhood. When planning a neighborhood picnic, the planning group needs to coordinate:

1. Promotion of the picnic to the immediate neighborhood.
2. Locating a central location for the picnic within the neighborhood.
3. Food to be served concentrating on the concept of potluck.
4. Games and activities.
5. Figuring of expenses.

Note: Music, entertainment and door prizes are not assumed to be elements of a neighborhood picnic.

Utilities Committee
Utility: King County Solid Waste Management Plan

Utilities Committee Chair Clawson presented a report regarding the Draft 2000 King County Solid Waste Management Plan. The Utilities Committee recommended that a letter be sent to King County Executive Ron Sims addressing the City of Renton’s issues and recommendations for the Draft 2000 Comprehensive Solid Waste Management Plan.

Councilman Clawson offered several options with regard to how the above-referenced letter could be signed, noting that the deadline for submission is September 29, 2000. Mayor Tanner reminded Council that the Utilities Committee does not speak for the City and asked City Attorney Larry Warren to comment on the matter.

Citing the Revised Code of Washington, City Attorney Warren explained that the Mayor is the official and ceremonial head of the City and is the
spokesperson for the City. The Council is the policy-making body for the City and can speak for itself as the legislative body of the City. He indicated that the Council can write the letter to the King County Executive representing the Renton City Council or it can pass a resolution adopting this position as the City Council. Mr. Warren noted that the Council cannot direct the Mayor to sign the letter for them.

MOVED BY CLAWSON, SECONDED BY SCHLITZER, COUNCIL AUTHORIZE A LETTER TO BE SENT BY THE COUNCIL TO KING COUNTY EXECUTIVE RON SIMS ADDRESSING ISSUES AND RECOMMENDATIONS FOR THE DRAFT 2000 COMPREHENSIVE SOLID WASTE PLAN.*

Responding to Council President Corman’s inquiry regarding the wording of the letter, Mayor Tanner said that he does not have a problem with the letter as it stands, but expressed concern about the way the letter was presented to him. Councilmember Keolker-Wheeler explained that the intent of having different options with regard to the signatures was because the comments need to be submitted by September 29, 2000. Drafting the letter as such was an attempt to make sure the information was available before the end of the comment period.

Discussion ensued regarding how the letter should be worded and who should sign the letter.

MOVED BY CORMAN, SECONDED BY PARKER, COUNCIL AMEND THE MOTION TO HAVE BOTH THE COUNCIL PRESIDENT AND THE MAYOR SIGN THE LETTER AND MODIFY THE FIRST PARAGRAPH OF THE LETTER TO SAY: THE CITY OF RENTON OFFERS THE FOLLOWING COMMENTS FOR YOUR REVIEW. CARRIED.
