SPECIAL PRESENTATION
Human Services: Christmas in April – Eastside Program
Dennis Conte, Housing Assistance Specialist, explained that last July, Council approved the formation of a partnership with the Christmas in April program. Since that time, City staff has employed various tactics to solicit applicants for the program. In particular, Housing Maintenance Worker Lynn Rothsliberger assisted many potential clients in completing Christmas in April applications, and Gloria Gamba, Human Services Office Technician, answered countless phone calls and inquiries about the program. As a result, the program received over 37 applications from the Renton community, of which six were selected for participation in this year’s program. Another 13 Renton applications will be carried over for consideration in next year’s event. Mr. Conte added that, for the first time, IKEA will be a corporate sponsor of one of the Renton homes.

Jerry Hardebeck, Christmas in April – Eastside’s House Recruitment Committee Chair, praised Renton staff for their extensive and highly successful efforts to solicit applications for this program. He presented a plaque to the City in recognition of its generous assistance in the success of this program and

PUBLIC HEARING
Planning: Eating & Drinking Establishments in Regional Parks & Golf Courses

This being the date set and proper notices having been posted and published in accordance with local and State laws, Mayor Tanner opened the public hearing to consider proposed amendments to Renton Municipal Code Development Regulations regarding eating and drinking establishments in regional parks and golf courses.

Don Erickson, Senior Planner, explained that the proposed amendments would render stand-alone restaurants such as Ivar’s and Kidd Valley at Gene Coulon Park and River Rock Café at Maplewood Golf Course permitted secondary uses in both the R-1 (Residential – One Dwelling Unit Per Acre) and RC (Resource Conservation) zones. Restaurants are currently only allowed as accessory uses to public and private golf courses in the R-1 zone, and to existing golf courses in the RC zone. The proposal would amend Renton’s Development Regulations to make “eating and drinking establishments” (i.e., restaurants) permitted, subject to the condition that the use occur only in regional parks and golf courses. This change would allow Ivar’s and Kidd Valley to become conforming uses in the likelihood that Gene Coulon Park is rezoned to R-1 in the future. It would also make River Rock Café a conforming use in the RC zone.

Mr. Erickson clarified the difference between a secondary use and an accessory use, saying that stand-alone restaurants are not considered to be normal accessory uses within golf courses or regional parks. Examples of normal accessory uses for these facilities include bait shops at fishing piers, pro shops at golf courses and concession stands at sports fields. Staff has concluded that stand-alone restaurants may be appropriate in larger, regional-type facilities while remaining inappropriate for smaller neighborhood and community open spaces.

Continuing, Mr. Erickson said as secondary uses in these zones, any new stand-alone restaurants would require approval by the Park Board and the City Council. He emphasized that no new restaurants are being proposed at this time. Staff recommends that the proposed amendments be approved, along with new definitions for the terms “neighborhood”, “community” and “regional” parks, based on descriptions in Renton’s 1992 Comprehensive Park, Recreation and Open Space Plan.

Public comment was invited. There being none, it was MOVED BY PARKER, SECONDED BY NELSON, COUNCIL CLOSE THE PUBLIC HEARING. CARRIED.

Councilmember Keolker-Wheeler noted that this subject remains in the Planning & Development Committee, which will issue a recommendation for action to the full Council.

APPEAL
Planning & Development Committee
Appeal: WSDOT Noise Variance for SR-167 Repaving

Planning & Development Committee Chair Keolker-Wheeler presented a report regarding the request from the Washington State Department of Transportation (WSDOT) for a noise variance to conduct resurfacing on SR-167. The Planning & Development Committee met on this topic on April 20, 2000. In making its decision, the Committee is required by City Code to detail errors in the Findings and Conclusions from which the appeal was made. In reviewing the record, the Planning & Development Committee determined that there were its emphasis on community enhancement. Mr. Hardebeck looked forward to changing the lives of six Renton homeowners this weekend, and many more in the future.
inadequate Findings and Conclusions from which to make its decision. Therefore, the Planning & Development Committee is remanding this issue back to the Board of Public Works for preparation of detailed Findings and Conclusions, and requests that the Board of Public Works seek assistance from the City Attorney’s office in preparing those Findings and Conclusions. Once the Findings and Conclusions are available, the committee will make its recommendation based on the testimony taken at its committee meeting of April 20, 2000. MOVED BY KEOLKER-WHEELER, SECONDED BY SCHLITZER, COUNCIL CONCUR IN THE COMMITTEE REPORT. CARRIED.

City Attorney Lawrence J. Warren warned Councilmembers that, because this matter will remain on appeal until it is resolved, the rules pertaining to quasi-judicial matters apply. Specifically, Councilmembers are not allowed to have ex parte communications with any parties on this subject. If such communication should occur, the participating Councilmember will be required to disclose the incident on the Council floor and allow rebuttal time by the opposing side.

**ADMINISTRATIVE REPORT**

Chief Administrative Officer Jay Covington reviewed a written administrative report summarizing the City’s recent progress towards goals and work programs adopted as part of its business plan for 2000 and beyond. Items noted included:

- With the assistance of the Human Services division, Boeing employees generously donated over 700 Easter baskets to Communities in Schools of Renton for low-income Renton children.
- The Recreation Division’s “Hip Hoppin’ Egg Hunt & Carnival” at the Community Center last Saturday drew over 1200 children and their parents.
- Thanks in part to the Telephone Pioneers of America, over 35 visually impaired children and their families hunted for specially-made “beeping” Easter eggs at the Senior Activity Center on Saturday.

**AUDIENCE COMMENT**

Citizen Comment: Dickson – Traffic Signal at 134th Ave SE & Petrovitsky

Chris Dickson, 17650 – 134th Ave. SE, Renton, 98058, reported that the traffic signal at the intersection of 134th Ave. SE and Petrovitsky Road takes an inordinate amount of time to turn green. Mayor Tanner replied that while this intersection is outside of Renton’s jurisdiction, the City would be happy to contact King County regarding this matter on Mr. Dickson’s behalf.

**CONSENT AGENDA**

Items on the consent agenda are adopted by one motion which follows the listing.
