APPROVAL OF COUNCIL MINUTES
MOVED BY PARKER, SECONDED BY CORMAN, COUNCIL APPROVE
THE MINUTES OF JULY 26, 1999 AS PRESENTED. CARRIED.

SPECIAL PRESENTATIONS
Char Baker, member of the Performing Arts Center Funding Committee,
described efforts to date to raise $1.5 million to upgrade the auditorium at
Renton High School to a first-class performing arts facility that would fulfill
vital civic and cultural needs in the community. Explaining that the Renton
School District is finalizing plans for major renovations at the high school, she
said the opportunity exists now to replace the planned auditorium with a state-
of-the-art venue that could be used for symphony performances, musicals, plays
and dance programs.

Ms. Baker said the funds to upgrade the facility must be raised now, as
construction will begin next summer. The City Council committed to
contributing $400,000 toward the project if the balance is secured from other
sources. IKEA donated $500,000 in exchange for naming rights, and First
Savings Bank of Renton and the Behnke Foundation have each given $25,000.
Many other contributions have brought the grand total thus far to
$1,068,826.97. Ms. Baker said this amount does not include in-kind donations,
verbal commitments of $75,000, or grant requests which total $600,000.

To make contributing to this project as feasible as possible for everyone who
wants to help, Ms. Baker announced a plan whereby individuals can spread
their donation over a three-year period. She asked that anyone interested in
donating call her at 425-255-5145.

Police: Volunteer Recognitions
Chief of Police Garry Anderson and Community Program Coordinator Cyndie
Driggers presented plaques of appreciation to the following Police Department
volunteers: Deeon Kuspert, who was selected as the volunteer of the second
quarter and who has donated more than 1,700 hours of service since 1989; Joe Diambri, who has given 639 hours and who works four to five days per week; and Margaret Barlow, who also works four or five days a week and has donated 1,500 hours to the department.

ADMINISTRATIVE REPORT

Chief Administrative Officer Jay Covington reviewed a written administrative report summarizing the City’s recent progress towards goals and work programs adopted as part of its business plan for 1999 and beyond. Items noted included:

- A new exhibit at the Renton Historical Museum showcases Renton’s city services, exploring the history of each division within the governmental makeup of Renton.
- Renton’s team finished second in the 14th annual Northwest Lifeguard Challenge held last week at Gene Coulon Memorial Beach Park.
- Also last week the Police Department helped twenty Renton neighborhoods participate in National Night Out with potlucks, barbecues and other social activities.

AUDIENCE COMMENT

Citizen Comment: Morgan – Renton River Days, Events & Vendors in the Downtown

Russ Morgan, 214 Williams Ave. N., Renton, 98055, co-owner of Tuttolini’s Sports Bar, suggested that the visiting vendors and merchants who ply their wares at Liberty Park during the Renton River Days community festival should instead set up their booths in the downtown area. Mr. Morgan explained that while River Days is Renton’s largest annual community festival, it does not significantly benefit downtown stores and businesses because most of the activities take place on the other side of the river. He also expressed an interest in serving on the River Days steering committee to represent the interests of downtown business owners.

Councilmember Nelson noted that the River Days committee allocates $2,000 to Citizens for Piazza Renton to coordinate the annual piazza party held on Burnett after the Saturday parade. She added that the River Days bike criterion is specifically sited in the downtown in the hope that spectators will frequent area businesses before and after the event. Ms. Nelson concluded that the River Days committee is always open to suggestions on how the festival can be improved, and she welcomed input from Mr. Morgan.

Councilman Corman commented that the downtown park (or piazza) will be completed next year, after which time it may be feasible to shift more of the River Days activities from Liberty Park to the downtown.
