ROLL CALL OF COUNCILMEMBERS
RICH ZWICKER, Council President; TERRI BRIERE; ED PRINCE; DON PERSSON; MARCIE PALMER; RANDY CORMAN; GREG TAYLOR.

CITY STAFF IN ATTENDANCE
DENIS LAW, Mayor; JAY COVINGTON, Chief Administrative Officer; LAWRENCE J. WARREN, City Attorney; BONNIE WALTON, City Clerk; GREGG ZIMMERMAN, Public Works Administrator; IWEN WANG, Administrative Services Administrator; PREETI SHRIDHAR, Communications Director; SUZANNE DALE ESTY, Economic Development Director; DEPUTY CHIEF ERIK WALLGREN, Fire & Emergency Services Department; COMMANDER PAUL CLINE, Police Department.

SPECIAL PRESENTATION
King County Councilmember Reagan Dunn reported that King County will likely face $20 million in budget cuts for 2013. He remarked that the County Executive believes most of these cuts can be absorbed through administrative efficiencies and should not impact the court system or law enforcement.

Mr. Dunn reported that he introduced anti-gang and human trafficking legislation this year. He stated that the anti-gang legislation will prohibit persons convicted of gang-related crimes from entering known gang areas, and it also makes intimidating someone trying to leave a gang or forcing someone into joining a gang a gang-related offense. Mr. Dunn also stated that the human trafficking legislation provides $750,000 from unspent Veterans and Human Services levy funds for enforcement, prevention, and intervention of human trafficking in King County.

Mr. Dunn reported that METRO Rapid Ride F Line between Renton and Burien will begin in the fall of 2013. He stated that METRO Route 149, Renton to Enumclaw, was converted to Route 907 DART (Dial-a-Ride Transit) service to save operating costs. He also reported that METRO Route 240, Renton to Bellevue, has changed from 30 minute to 15 minute intervals during peak service, and this line was extended to Eastgate Park & Ride and Bellevue College.

On the issue of the proposed sports arena, Mr. Dunn remarked that the Mayor of Seattle and the King County Executive were briefed on the issue and will be briefed again in the near future. He remarked that there are members of the County Council who support and oppose the idea, and that he would like to see an independent study conducted before making a decision. He noted that most people would like to see basketball and hockey teams in Seattle, but questions remain about the timing and location for the proposed arena.

Concluding, Mr. Dunn reported that he is the chair of the King County Flood Control District Executive Committee, and the committee has authorized funds to remove the 25-mile wall of sandbags along the Cedar River. He remarked that the bags should be removed by the end of this summer.
Responding to Council inquiries, Mr. Dunn remarked that extending the Rapid Ride F Line to The Landing is a critical component of Renton’s transit needs. He recommended that he and Councilmember Palmer speak with the head of METRO to see if that can happen. He also remarked that Renton, along with Bellevue, have occasionally been mentioned as possible locations for the proposed sports arena, and stated that the City of Seattle has not done a lot in terms of investing in capacity for new infrastructure in the SODO district. Mr. Dunn added that he is concerned about blocking access to the Port of Seattle, and he is open-minded about Renton being a possibility for a new facility.
