CALL TO ORDER
Mayor Law called the meeting of the Renton City Council to order and led the Pledge of Allegiance to the flag.

ROLL CALL OF COUNCILMEMBERS
RICH ZWICKER, Council President; GREG TAYLOR; RANDY CORMAN; MARCIE PALMER; DON PERSSON; ED PRINCE; TERRI BRIERE.

CITY STAFF IN ATTENDANCE
DENIS LAW, Mayor; JAY COVINGTON, Chief Administrative Officer; MARK BARBER, Senior Assistant City Attorney; BONNIE WALTON, City Clerk; CHIP VINCENT, Community and Economic Development Administrator; GREGG ZIMMERMAN, Public Works Administrator; IWEN WANG, Administrative Services Administrator; FIRE & EMERGENCY SERVICES ADMINISTRATOR MARK PETERSON and DEPUTY CHIEF ERIK WALLGREN, Fire & Emergency Services Department; COMMANDER DAVE LEIBMAN, Police Department.

AUDIENCE COMMENT
Citizen Comment: Madson - Enforcement of City-Wide Fireworks Ban
Lori Madson (Renton) shared her history of working to achieve a city-wide fireworks ban. She remarked that due to budget cuts the Fire and Police departments are no longer able to effectively enforce the ban. Ms. Madson emphasized that the City has a zero-tolerance policy regarding fireworks, and requested the number of fireworks-related citations written for this year and the previous two years.

Mayor Law acknowledged that there are limited resources for enforcing the ban, and asked Fire & Emergency Services Administrator Mark Peterson to summarize the department’s response to this year’s Fourth of July event.

Discussion ensued regarding whether or not lighting a large explosive device is a felony, and police officer comments regarding enforcement strategies. Councilmember Corman requested that the administration address Ms. Madson’s concerns regarding fireworks ban violations and police officer comments.

Fire & Emergency Services Administrator Mark Peterson reported that the department worked with Valley Communications in preparation of the increase in calls for service due to fireworks complaints. He emphasized that the department has limited resources and had to use on-duty fire apparatuses and personnel. He added that all five Fire Inspectors were on duty that night, and they made 47 contacts, confiscated over 50 pounds of fireworks, and issued one $100 and five $500 citations.

Chief Peterson reported that while the enforcement efforts were on-going the department also responded to over 136 calls for service including, five motor vehicle accidents, five automatic fire alarm calls, a water craft rescue, 22 Emergency Medical Services responses, and five medic responses.

Concluding, Chief Peterson reported that there were no fireworks injuries or loss or damage due to fireworks within Renton city limits. He noted that although there were some fireworks set off within the city, the offenders were usually gone before the Fire Department could get to their location.
Citizen Comment: Adams - Fluoridated Water

Audrey Adams (Renton) stated that she had provided Council with a summary of 92 studies questioning the safety of fluoridated water. She explained the concept of the precautionary principle, and stated that if the principle was applied to the issue of fluoridated water, the significance of this issue would be elevated. Ms. Adams also shared information regarding a court case involving a union scientist who was fired from the Environmental Protection Agency (EPA) because he believed fluoride to be unsafe. She noted that he won the case and was able to win his job back.

MOVED BY TAYLOR, SECONDED BY CORMAN, COUNCIL ALLOW MS. ADAMS A FEW ADDITIONAL MINUTES TO CONCLUDE HER COMMENTS. CARRIED.

Concluding, Ms. Adams acknowledged that there are opposing views on this topic, but remarked that she has nothing to gain except knowing that she believes she is doing the right thing by informing Council of the issue. She added that the precautionary principle would set a higher standard than just proving that something is unsafe, and should be applied since the City is using public water as an avenue to introduce a drug to the population.

Councilmember Corman remarked that Council is listening to Ms. Adams’ concerns, and that information regarding fluoride has changed immensely over the past 30 years. He stated that he believes this is an issue that should probably go back to the voters at some time in the future.

Council President Zwicker remarked that, as mentioned by Ms. Adams, there are two sides to the issue, and that he believes changes can be made without going back to the voters. He suggested that a briefing to the Utilities Committee would provide an opportunity for Ms. Adams to present her information in a precise manner, and it would also give City staff an opportunity to weigh-in on the topic.

MOVED BY ZWICKER, SECONDED BY TAYLOR, COUNCIL REFER THE TOPIC OF FLUORIDATION TO THE UTILITIES COMMITTEE. CARRIED.

Councilmember Palmer requested that the Committee of the Whole be briefed on the topic after the Utilities Committee had reviewed the issue.

CONSENT AGENDA

Items listed on the consent agenda are adopted by one motion which follows the listing.

Council: Meeting Minutes of 6/25/2012
