CALL TO ORDER

Mayor Law called the meeting of the Renton City Council to order and led the Pledge of Allegiance to the flag.

ROLL CALL OF COUNCILMEMBERS

DON PERSSON, Council President; KING PARKER; RICH ZWICKER; GREG TAYLOR; RANDY CORMAN; MARCIE PALMER. MOVED BY TAYLOR, SECONDED BY ZWICKER, COUNCIL EXCUSE ABSENT COUNCILMEMBER TERRI BRIERE. CARRIED.

CITY STAFF IN ATTENDANCE

DENIS LAW, Mayor; MARTY WINE, Assistant CAO; ANN NIELSEN, Assistant City Attorney; BONNIE WALTON, City Clerk; ALEX PIETSCH, Community and Economic Development Administrator; GREGG ZIMMERMAN, Public Works Administrator; IWEN WANG, Finance and Information Services Administrator; COMMANDER KATIE MCCLINCY, Police Department.

AUDIENCE COMMENT

Arland “Buzz” Johnson (Renton) remarked that he voted against the annexation of the Renton Library System to the King County Library System (KCLS). He explained that he is not comfortable moving the library leadership away from the effectiveness of the City Council. Mr. Johnson also questioned the ability of KCLS to handle the additional patrons.

Robert Lane (Renton) requested that City officials and staff partner with the citizens of Renton and the Renton School Board to find a way to keep the Lindbergh Pool open. He remarked that he is aware that the pool is owned by the school district, but that it is also a community asset that enhances everyone’s quality of life.

John Kotuis (Edmonds), a Renton School District teacher and swim coach, remarked that he has heard talk of a quality-of-life tax and that he would support it if maintenance and operations of the Lindbergh Pool were included. Mr. Kotuis pointed out that even if a quality of life tax was approved by voters in the November election, the revenue would not be collected until April, necessitating a short-term solution to keep the pool open until then.

Responding to Councilmember Corman’s inquiry, Mr. Kotuis explained that he heard the idea of the quality of life tax from the Renton School District, and thought that there may have been discussions held between the school board and the City.

Kim Thomas (Renton) remarked that he has been researching the City’s budget and tax code and requested that the City explain what will happen to the $1.8 to $2 million currently expended on library services if the library annexation to KCLS proposal is approved by voters. He also requested that the public be invited to comment on that budget process.

Mayor Law stated that a decision has not been made regarding library budget savings because the issue has not been decided by voters. He explained that if the library annexation proposal is approved, part of that funding could be used to build new libraries. He also remarked that if the proposal does not pass, and it is decided that voters will need to approve a bond issue to pay for the libraries, some or all of the funds currently assessed for library operations could
be rebated back, or reduced from the tax burden. Mayor Law stated that these are things that Council would have to decide over a period of time, once the election has been completed. He also stated that the City welcomes all public input throughout the budget process.

Councilmember Parker emphasized that public input is always welcome. He stated that two new libraries will have to be built and suggested that portions of the money currently assessed could be used to resume customer service programs that were cut from the budget last year. As examples, he remarked that a new lavatory could be built at Ron Regis Park, or cuts could be restored at the community center and senior center.

Citizen Comment: Johnson - Potential Annexation to King County Library System

Ben Johnson (Renton) stated that he believes the following items are the tangible benefits for joining the King County Library System: New lighting, furniture, signs, technology and increased hours. He remarked that this opportunity, however, will cost City taxpayers $4.6 million in new taxes. Mr. Johnson stated that the City, if annexed, will lose its traditions and independence, and that library employees will lose benefits, seniority, and stability.

Responding to Councilmember Corman’s inquiry, Mr. Johnson stated that after reviewing the City’s budget he believes that the information published in the City’s frequently asked questions booklet is incorrect.

Victor Eskenazi (Renton) stated that he favors working with the City in order to have an opportunity to help find a solution to retain independent library services in Renton. Mr. Eskenazi remarked that taxpayers are currently supporting public libraries within the Renton School District and Renton Technical College and the funds could possibly be pooled together to support all library services in the City. He also stated that there may be opportunities for the libraries to generate revenue, noting that KCLS has snack bars in their libraries.

Council President Persson remarked that one of the reasons Renton is a great place to live is because of the easy process citizens have to come and voice their opinions. He remarked that the library issue is now in the hands of the voters and Council will make the appropriate decisions after the election.

Mannie Mankowski (King County) remarked that he lives in the Fairwood area and utilizes the Lindbergh Pool. He acknowledged that the pool is owned by the Renton School District, but stated that he feels the City has an obligation to help keep the pool operating if they expect to receive Fairwood’s tax money in the future. Mr. Mankowski stated that the $175,000 short-fall to keep the pool open is a small sum compared to the City’s total budget. He urged Council to form an alliance with the Renton School District to find opportunities to keep the pool open.

Councilmember Corman remarked that the Council is listening to all of the concerns expressed by tonight’s speakers regarding the Lindbergh Pool. He stated that the school district is short approximately $175,000 and because the pool is owned by the school district there is no easy process for Council to prioritize the issue to find a way to keep the pool open. He remarked that he would be in support of a small levy for the maintenance and operation of the pool.
Mayor Law acknowledged that the Lindbergh pool is a community asset and pointed out that the $175,000 does not begin to fund the pool and its operations. He remarked that the sum is closer to the range of hundreds of thousands of dollars. He commented that the school district, like the City and its residents, is struggling with its budget, and that it is unfortunate that these valued community assets are being impacted because of these budget crises. Mayor Law remarked that finding solutions will not be easy, but the City along with the school district and others, are happy to work together to find funding mechanisms that will allow these assets to remain open to the public.

MOVED BY ZWICKER, SECONDED BY CORMAN, COUNCIL REFER THE 2011 AND BEYOND UTILITY RATE PLAN TO THE UTILITIES COMMITTEE. CARRIED.

Transportation: I-405 High Occupancy Toll Lane Proposal

Councilmember Corman announced he had attended a House Transportation Committee in Olympia and asked Council to support a follow-up letter signed by the Mayor and Council President supporting a State proposal to add additional lanes to I-405, north and south bound between Bellevue and Renton. He explained that it would also provide a direct flyover connection from I-405 to SR 167 using a High Occupancy Toll (HOT) lane concept. He stated that the existing High Occupancy Vehicle (HOV) lane would be added with a second lane, and the pair of lanes would then make a flyover connection to SR 167. He noted that the state now believes they can make the project pencil out because of the good bidding climate and that Mayor Hill of Algona is also in support of the proposal.

Councilmembers expressed no objection to sending a follow-up letter regarding this matter.

Citizen Comment: Kushin - Street Light Request

MOVED BY PALMER, SECONDED BY CORMAN, COUNCIL REFER TO THE ADMINISTRATION CORRESPONDENCE FROM TAMMY KUSHIN ALLEGING ILLEGAL ACTIVITY AND REQUESTING INSTALLATION OF A STREET LIGHT AT N. 24TH ST. AND MEADOW AVE. N. CARRIED.
