PROCLAMATION

Renton Hearth Month - February 2010

A proclamation by Mayor Law was read declaring the month of February 2010 to be "Renton Heart Month" in the City of Renton and encouraging all citizens to increase their awareness of cardiovascular disease, detection, and prevention by participating in this important community risk reduction campaign. MOVED BY TAYLOR, SECONDED BY BRIERE, COUNCIL CONCUR IN THE PROCLAMATION. CARRIED.

Interim Fire and Emergency Services Administrator Mark Peterson accepted the proclamation with appreciation.

SPECIAL PRESENTATION

Fire: Renton Heart Month - February 2010

Chief Peterson stated that sudden cardiac arrest is the leading cause of death in America and is the reason the Renton Heart Month campaign was created in 2007. He remarked that each year the campaign’s goal is to educate more people about the risks associated with sudden cardiac death and about stroke awareness. He stated that last year over 4,000 people had their blood pressure and blood sugar screened and 800 citizens were identified with some form of health risk.

Chief Peterson announced that this year’s theme is “Passport to a Healthy Heart” and stated that residents can pick up a passport booklet at any fire station. He explained that the three places the booklet must be stamped are for blood pressure/sugar screening, heart health training, and visiting local sponsors. Chief Peterson further explained that those residents who receive all three stamps will be signed up for a drawing and may receive prizes. He noted that classes and health screenings will be offered throughout the month of February at various locations within the City. He thanked the corporate sponsors for their support.

AUDIENCE COMMENT

Greg Simmons (Newcastle) stated that he was representing Hazen High School swim team families regarding the Lindbergh Pool closure. He compared swimming pools to soccer and baseball fields and noted that all community recreational facilities require some level of on-going community support.
Mr. Simmons suggested increasing user fees and urged the City to work with the Renton School District to help find funding mechanisms for the pool’s long-term financial needs. He also requested that the quality-of-life tax that may be on the November ballot include a provision for the maintenance and operations of community pools.

Council President Persson remarked that he was not aware of a quality-of-life bond and requested that the issue be verified with King County.

Ben Johnson (Renton) opined that there are faults with the City’s financial estimate for the Library Master Plan. He noted that he believes the rate citizens will be charged for library services is only 11 cents per $1,000 of assessed valuation. Mr. Johnson remarked that in fairness the City should use the rate of 50 cents per $1,000 of assessed valuation for the King County Library System when comparing it to the Renton Library System.

Marc Nordlund (King County) expressed opposition to the potential annexation of the Renton Library System to the King County Library System. He compared the issue to that of shopping at a local store rather than at a large retail store, and opined that although the smaller store may not have as many brands, the salespersons are generally more knowledgeable and know their clientele better.

Items listed on the consent agenda are adopted by one motion which follows the listing.

Human Resources and Risk Management Department recommended approval of class specifications and salary grades for: GIS Analyst I - AFSCME, grade a21, GIS Analyst II - AFSCME, grade a23; and GIS Coordinator - AFSCME, grade a26; and authorize updating Policy and Procedure #320-01 to reflect the new classification series. Refer to Finance Committee.

Transportation Systems Division recommended approval of an agreement with the Washington State Public Works Board to accept a $500,000 grant to be used for any phase of the Rainier Ave. S. (SR 167), S. Grady Way to S. 2nd St. project. City’s share: $7,803,559. Council concur. (See page 446 for resolution.)

Transportation Systems Division recommended approval of Supplemental Agreement #2 to CAG-09-151, with KBA, Inc., in the amount of $65,000 for construction management services for the Shattuck Ave. S. Stormwater Bypass project. Council concur.

Transportation Systems Division recommended approval of the 2010-2011 One Card for All (ORCA) Business Passport (formerly flexpass) interlocal agreement with King County, Pierce Transit, Sound Transit, Community Transit, Kitsap Transit, and the Washington State Ferries Division in the amount of $32,388 to continue the Commute Trip Reduction Program for City employees. Council concur. (See page 446 for resolution.)

Utility Systems Division recommended approval to modify water consumption blocks to increase block rates and irrigation rates in an effort to conserve water during peak summer months, and approval to pursue a new water supply. Refer to Utilities Committee.
