ADMINISTRATIVE REPORT
Chief Administrative Officer Jay Covington reviewed a written administrative report summarizing the City’s recent progress towards goals and work programs adopted as part of its business plan for 2013 and beyond. Items included were:

* Governor Jay Inslee announced that Renton has been awarded a 2013 Smart Communities Award for the City’s Sunset Area Planned Action. The plan details how the city will leverage public investment to catalyze private property development and create opportunities for market-rate and affordable housing plus retail investment. The City of Renton was among nine cities and three counties to receive a Governor’s award for smart growth planning. This is the second year in a row the City has won the Governor’s Smart Communities Award.

* Everyone is invited to the City of Renton and co-sponsor The Landing’s Fabulous 4th of July and Fireworks at Gene Coulon Memorial Beach Park this Thursday. There will be free children’s activities from noon to 8:00 p.m., stage entertainment from 1:30 to 9:30 p.m., and a professional fireworks display at 10:00 p.m. For additional information about the event, call 425-430-6600 or visit rentonwa.gov. Fireworks are banned in Renton so come to the park and enjoy the legal fireworks display.
* The City Clerk Division hosted an appreciation dinner for eleven City Hall Information Desk Volunteers. Each of the volunteers works a 4 1/2 hour shift one day per week, assisting the City Clerk’s office in providing information and referral services to the public. Since the Information Desk Volunteer program began in 1984, over 100,000 hours of service have been given by senior citizen volunteers who enjoy the opportunity to provide a valuable service to the City and the community. If the City had paid $10 per hour for an individual to do this work, over $1 million in wages alone would have been spent since 1984 for this service. They truly are worth a million! For information regarding the City Hall Information Desk Volunteer Program, contact the City Clerk office at 425-430-6510.

Mayor Pro Tem Corman reflected on the recent loss of 19 firefighters in Arizona. He remarked that it is easy to remember that police officers put themselves in danger every day, and the events in Arizona are a tragic reminder that the peril that firefighters face is just as great.

Mr. Covington remarked that unfortunately there is a local connection to one of the firefighters. He stated that a City police officer is a brother of a firefighter killed in the tragedy.

A moment of silence was held to honor the fallen firefighters.

Mark Pursley (Renton), Maple Valley Community Center Executive Director, expressed appreciation for the City’s funding of their DateWise program. He explained that DateWise is a prevention program designed to teach young men and women the signs of dating violence. Mr. Pursley stated that the funding allows the organization to provide 24 in-class presentations on this subject at Lindbergh High School.

Lori Madson (Renton) expressed concern regarding the changes in the way the City will enforce the fireworks ban this year. She stated that she understands there are safety and jurisdictional issues with Fire Inspectors issuing citations, but she believes enforcing the fireworks ban will not be a high priority for the police department.

Discussion ensued regarding the City’s nearly ten-year-old fireworks ban, the jurisdictional questions of Fire Inspectors issuing citations, the steps the City is taking to notify residents of the ban, the fact that police and/or fire personnel must actually see someone lighting fireworks before a citation can be written, how the City plans to focus on education this year, and that police officers will be on duty actively enforcing the fireworks ban.

Fire and Emergency Services Administrator Mark Peterson reviewed the City’s 4th of July incident action plan. He also reiterated some of the previous points made on enforcing the fireworks ban, and explained that the department will utilize its resources to the best of its ability.

Items listed on the consent agenda are adopted by one motion which follows the listing.
