ADMINISTRATIVE REPORT

Chief Administrative Officer Jay Covington reviewed a written administrative report summarizing the City’s recent progress towards goals and work programs adopted as part of its business plan for 2015 and beyond. Items noted were:

* The Office of the State Fire Marshal and the Bureau of Alcohol, Tobacco, Firearms, and Explosives will be conducting
demonstrations of illegal explosive devices typically found and used during the Fourth of July holiday on Friday, June 12, between 1:30 p.m. and 3 p.m. at the Renton Fire Training Center, Station #14, 1900 Lind Ave. SW.

Businesses and residents located within a quarter mile of the training center should anticipate several instances of a loud report, possible ground vibration and small amounts of smoke during the demonstration. Safety precautions are being taken to ensure operations pose no threat to businesses, residents or property.

This demonstration for the media is conducted each year prior to Fourth of July, when the use of illegal fireworks and explosive devices increase during this time period. Providing the media examples of the destructiveness caused by these devices will hopefully prevent an actual emergency that involves an injury.

To report concerns related to firing noise, call the Renton Fire Marshal’s Office at 425-430-7000 or the State Fire Marshal’s Office at 360-596-3913.

Street Maintenance crews will be performing work at various locations:

**June 9; approximately 8:30 a.m. to 3:30 p.m.**: The eastbound inside main traffic lane and westbound left-turn lane of NE 4th St. at Duvall Ave. NE will be closed to repair a broken conduit.

**June 9 through June 12; approximately 9 a.m. to 3:30 p.m.**: Weather permitting, lane closures will take place along Benson Road between the I-405 overpass to the north and SR 515 to the south so that crews can complete a paving project.

**June 22 through June 26; approximately 7 a.m. to 3:30 p.m.**: Maintenance crews will conduct preventative cleaning of the “Lake” sewer line. Residents along the shoreline of Lake Washington between the south end of the lake up to the 4000 block of Lake Washington Blvd. will receive door hangars the week of June 8 alerting them to this preventative maintenance measure.
