**ADMINISTRATIVE REPORT**

Deputy Public Affairs Administrator Preeti Shridhar reviewed a written administrative report summarizing the City's recent progress towards goals and work programs adopted as part of its business plan for 2015 and beyond. Items noted were:

- The City will begin pruning 56 maple trees along Maple Valley Highway beginning on Monday, September 26th. The project will close one westbound lane along the row of trees. Pruning of the low-hanging red and Norway maple trees will provide at least 15 feet of clearance over the highway and remove branches that have grown through the netting along the 10th fairway. The project is expected to take three days and be completed by Wednesday, September 28th.
- The new, 135 foot, single span Riverview Bridge will be dedicated with a ribbon cutting and short program on September 23, 2016 at 11:00 a.m. The event will take place at Riverview Park at 3201 Maple Valley Highway.
- Preventative street maintenance will continue to impact traffic and result in occasional street closures.

---

**AUDIENCE COMMENTS**

- Diane Dobson, Renton, spoke on behalf of the North Renton Community Association and addressed concerns regarding the proposed building of the Sartori Elementary School, and issues regarding communication between the Neighborhood Association, the School District, and the City. Mayor Law responded that the City will contact Ms. Dobson and attempt to facilitate any gaps in communication.
- Kathleen Booher, Renton, from the North Renton Association also addressed concerns regarding the proposed building of the Sartori Elementary School and the problems with communication between the residents and the School District, especially regarding the State Environmental Policy Act (SEPA) review.
